FOREWORD

This writing is an appendix which comes to expand on the idea of the Philosophy of Life already put forth in the Politico-Civilizational Treatise, NE DUKEKELE SUTE-ATON, which is central and crucial to the rising of a New Civilization on Terra-Urantia, our Mother-Earth.

Herein, we will speak of Life Wisdom in lieu of Philosophy of Life as initially designated in the above-mentioned Treatise. And this to emphasize a way of living based on the Knowledge of the Laws of Nature, which are those of Creation.

Life Wisdom implies high perception, senses, thoughts of Love and Balance within Life towards Life, based on Knowledge emanating from The Divine Source within each and every one from which flow actions that can only project a healthy and heavenly living environment.

With this, Human Civilization will experience a Lasting Peace never seen before in Human memory.

PRELUDE

WHAT WILL SAVE OUR WORLD ? THE TRUTH, NOTHING BUT THE TRUTH! AND TRUTH WITHIN THE LAWS OF CREATION. When ALL the lies stop and it is not acceptable to have politicians, clergymen, armies, scientists etc., lying, plotting, despising and organizing structures and meetings for political gain and global criminal control, then we may have a place to start.

When we learn to live in honest integrity within the Laws of Terra aligned with those of God, we will have learned what STRENGTH, GREATNESS AND POWER ARE.

We must stop BREAKING NATURAL LAW AND HAVE ENOUGH SPIRITUAL-MORAL FOUNDATIONS TO BE AN EXAMPLE FOR OUR GROWING CHILDREN WITHIN THE NATIONS UPON THE SURFACE OF A FREE TERRA.

If mankind breaks the Laws of GOD, THE LAWS OF CHRIST, how can he fail to see that he is abusing self, since of these very Laws is he the manifestation. In doing so, He becomes a key player within the anti-Christ forces. The latter has no one structure, but the most dangerous ones to our world ARE THOSE AT THE HIGHEST LEVEL OF CONTROL--AND EVERY TIME.

BUT IT ALWAYS BEGINS with OURSELVES, our little lies growing bigger and bigger, eventually settling in as a second nature, RIGHT THERE WITH US and our own acceptance of bad behavior, irresponsible attitudes and our "ego-self"--if it feels good and I can easily hide it, fine, I go for it--But these attitudes DO CAUSE DAMAGE, starting with ONESELF.

So, we don't have to change the world, to save anyone or the world, let's just put forth the LAWS OF CHRIST, PUT THEM INTO PRACTICE, TELL THE TRUTH and our circumstances will change accordingly.

AN ANTI-CHRIST IS SIMPLY SOMEONE WHO ACTS AGAINST THE LAWS AND GUIDELINES OF CHRIST! THIS SHOULD BE QUITE EASY TO UNDERSTAND BY NOW. THEREFORE, SINCE THERE IS ONLY "CHRIST" AND "ANTI-CHRIST", MAY MAN LEARN FROM GOOD TEACHERS, THOSE OF CHRIST, AND HE WILL NO LONGER ENGAGE IN IRRESPONSIBLE BEHAVIORS AND HIS MOTHER ABODE TERRA, WILL SOON BE RESTORED.

The war between good and evil WILL BE WON THROUGH SPIRIT AND WISDOM alone. Where have we placed OURS ? The answer lies with each and every one of US.

The embodiment of the laws and guidelines set forth in this document, intended to offer an enlightened path, is that which is capable of lifting human society out of

lower vibrations and raise it to a higher plane. Should we fail in this duty, the end of human civilization is assured.

Perspective-Perception DIVINE

Hereafter is a statement which summarizes the position of Creator-God in relation to His creations. It opens and perfectly introduces the subject of Life Wisdom addressed in this paper

I AM THAT I AM

"If you believe that God is some omnipotent being who hears all prayers, says "yes" to some, "no" to others, and "maybe, but not now" to the rest, you are mistaken. By what rule of thumb would God decide?

If you believe that God is the creator and decider of all things in your life, you are mistaken.

God is the observer, not the creator. And God stands ready to assist you in living your life, but not in the way you might expect.

It is not God's function to create, or uncreate, the circumstances or conditions of your life. God created you, in the image and likeness of God. You have created the rest, through the power God has given you. God created the process of life and life itself as you know it. Yet God gave you free choice, to do with life as you will.

In this sense, your will for you is God's will for you.

You are living your life the way you are living your life, and I have no preference in the matter.

This is the grand illusion in which you have engaged: that God cares one way or the other what you do.

I do not care what you do, and that is hard for you to hear. Yet do you care what your children do when you send them out to play? Is it a matter of consequence to you whether they play tag, or hide and seek, or pretend? No, it is not, because you know they are perfectly safe. You have placed them in an environment which you consider friendly and very okay.

Of course, you will always hope that they do not hurt themselves. And if they do, you will be right there to help them, heal them, allow them to feel safe again, to be happy

again, to go and play again another day. But whether they choose hide and seek or pretend will not matter to you the next day, either.

You will tell them, of course, which games are dangerous to play. But you cannot stop your children from doing dangerous things. Not always. Not forever. Not in every moment from now until death. It is the wise parent who knows this. Yet the parent never stops caring about the outcome. It is this dichotomy--not caring deeply about the process, but caring deeply about the result--that comes close to describing the dichotomy of God.

Yet God, in a sense, does not even care about the outcome. Not the ultimate outcome. This is because the ultimate outcome is assured. And this is the second great illusion of man: that the outcome of life is in doubt".

Relevant Statement DIVINE

There are more evil adversaries of Christ and God in the so-called Christian churches than you will find anywhere in any group, dead or alive; and "dead" might fit the Christian Churches as a whole.

Dear souls, it is not a matter of accepting or denying the Man Emmanuel commonly called "Jesus". It is a refusal to recognize the "Christed path" not the Man. You MUST understand that evil was birthed on your place in far greater numbers than are God-following children of light.

Earth Terra is an adversarial dwelling place. We refer to it as a prison colony where those who would not come into balance and within the Creation's laws and cosmic rules were placed, sent, if you will, for reclamation and rehabilitation. Original sin? Well, I don't know what you mean by that phrase exactly, but the original sin was not that which is touted unto you -- it is that your ancestors were simply a Godless bunch of hoodlums. There is no NICE way to put it. God told you then, He has told you now; He sent Christ teachers then and He sends them now--to show you the way back within the fold of Truth and Godness. If you as a planet full of people refuse to turn away from the evil things of the physical you are doomed to re-experience until you recognize your plight and set your path to right. At any rate one way or the other, planet Terra-Urantia is going to be emptied of all evil that she might begin to be reclaimed and she is coming from metamorphosis into her new dimensional

frequency and that which is left shall be healed, nurtured and recreated by God. Whether you move with her into her glory or are transported to another experience is unto each of you. Our job as the Hosts come before God unto you is to bring you the Truth of it. As a species you have moved into the places with evil and follow the adversary (anti-Christ).

Does this mean that all Christians are anti-Christians? Most are. What about these "Jews and/or Khazars"? Most are and most non-Christians are anti-Christ but those who follow that Christ path are not, they are of Christ and God. Christ is a state of being not a label of a given Man. If you are against the laws of God and The Creation, YOU ARE AN ANTI-CHRIST, no more and no less, and going to church every Sunday does not make you otherwise.

It is simply that the Anti-Christ beings have chosen this route and "RELIGION" to hopefully prevail and bring the world into total evil. In the long-run it matters not for it is an experience as a school-room and after a given number of years the physical is put aside as being experienced, changed and rechanged. This is why Truth is being brought forth in this final cycle for you ones are ready to blow away the planet and it is not suitable that you do so. All ones will be given opportunity to accept Truth and change intent -- if you choose "not" then so be it for you shall simply be left to experience in the absence of God. I promise you, threaten you, whatever you wish to call it, you will not be forced by any of God's Hosts to do either one -- ours is to remind you of the Laws of Truth and God is the Word and so shall it come unto you and then YOU shall have responsibility for self! He certainly will not whisk you to the clouds in exchange for your false knowledge and the false teachings of those who deceive you. YOU will answer for your own intent, there will be no absolution because another MAN shed his blood 2000 years ago. It is the lighted path of Truth given for you to follow -- not the bloody evil of killing at the hands of an evil mob which is intended for your learning.

When the Christed Teacher told you that "I am the way, the Truth and the life and except through me shall no man come into the Kingdom of God", that is exactly that which he meant. He did not mean by "me, the Man, by some label or other"--BUT THROUGH THE ROUTE OF THE CHRISTED TRUTH. And so it shall be--absolutely, no if's, and's or "but I thought's"! Men shall be in the fields at a certain time and one shall be chosen and one shall be left--where will YOU be? I care not that which you CALL selves, i.e. Christians, Jews, Judeans,

Khazars, Islamics and thus and so. God sees not your labels -- He sees only Truth for GOD IS TRUTH and ONLY TRUTH SHALL COME WITHIN THE HOLY PLACES. "But I thought---", simply will not cut the cloth, my friends.

I tell you now that you may not go forth and denounce the Khazars and/or the Jews and find you have whipped the anti-Christ. I am only writing these portions of this Journal to allow you to see that you have been WRONG in your perceptions. Anti-Christ comes from all walks, all creeds, all colors and all human species, just as does Christ-ness.

On The Subject of Individual Sovereignty

Here is what ESU IMMANUEL said about the sovereignty of the Human Being as an individual during his stay on Terra a little over 2000 years ago.

We quote:

He talked of Nature and of the God who clothed the lilies of the fields and valued the smallest sparrow. He denounced the law and the prophets and, ignoring the imaginary Khazar "god" who was presented as being *external* to his creations, Esu talked of a different God who was *within* and Father to His creations. The message of Esu was that perceptive people would realize they were of the Father. He said, "**I am in the Father and the Father is in me**". He told people they could go against the law and that was not important, they could go against what they called "god" and that was not important, but if they did not heed the Holy Spirit that was WITHIN them, they would be eternally damned.

In simple, bare, inexact human words, there has never been a clearer statement of individual sovereignty. But Esu was placed at the weather front of masses looking for a messiah--looking for a leader of manipulated masses, a new spokesman for the imaginary "god" they had invented. They thought only of fighting the Roman culture of manipulated masses with their own, *even more extreme*, culture of manipulated masses. Human words were inadequate for something as important as Esu wanted to say.

When He had said all that could be said by using inexact *human words*, He had to accept the bitter cup that words alone do not establish a culture. With courageous resignation He faced the fact that, even though the people around Him would not accept a culture opposite to the one that was leading them to damnation, He could still make a full statement to the whole world regarding that which came from the

Holy Spirit, or Father, within Him in the *language of the REAL GOD -- in the language of Nature's God.*

He told his disciples that *His* time was approaching but that *their* time was yet to come. He planned to precipitate a battle in which they *could take sides*. He said to them, "Sell your coat and buy a sword".

Then in the language of Nature and Nature's God, He spoke. As one who had violated no specific law of the mass manipulators, but as one who had denounced their *total culture*, He openly confronted the mass manipulators with full knowledge of what would happen. Having publicly proclaimed the sovereignty of an individual, He placed himself so that *as an individual* He conspicuously stood against the most clearly defined culture of manipulated masses that existed anywhere in the world, a culture that will tolerate no one who rejects the law and the prophets, a culture that will tolerate no one who obeys only the Holy Spirit within.

Esu deliberately walked into a situation where He foresaw that his crucifixion would clearly show the *mortal* opposition which exists -- irreconcilably -- between the two cultures. *In the language of Nature and Nature's God, His crucifixion proclaimed to all the world that the opposition between the two cultures is mortal and eternal, that compromise cannot be made, that one of the diametrically opposing directions must be chosen.*

Crude, inexact human words do not pass the boundaries of different peoples and are seldom fully understood. In the universal language of Nature and Nature's God, Esu made the most significant and most eloquent statement ever made to the whole Human species.

The Khazars tried to ignore that statement. When they discovered that they could not simply ignore it, they tried to kill off everyone who tried to point out the significance of it. The Romans saw its significance and gave the Khazarian gangs license to exterminate Christians -- no more and no less.

Then one of the Khazarian butchers, Saul of Tarsus, came up with the idea of twisting the story backwards and actually making it *support* the Khazarian culture of mass manipulation. Each now takes active roles in setting to straight the historical errors of experience and some will fail -- again; but ones of Godly intent shall surely succeed.

The imaginary primitive "god" which the Khazars had invented purportedly demanded bloody sacrifices of the first born and finest before he would forgive their "sins". Everyone had heard Esu say, "I am in the Father, and the Father is in me". Many had said that Esu was claiming to be a god. Saul conceived the idea that people could be made to accept Esu as the son of the *imaginary "god"* the Khazars had invented, and

accept his crucifixion as a sacrifice that the *imaginary god's* law demanded for the salvation of all who had not obeyed that law.

End of quote

It may already be quite obvious to each and every one, at this stage, following the preceding introductory Divine statements, that our way of perceiving LIFE, NATURE, HUMANITY, and GOD is far removed from COSMIC UNIVERSAL REALITY. The proof lies in the decadent state of our civilization.

Correcting this anti-Reality state of affairs has become pressing on our globe if we are to preserve our species and progress toward a state of Balance and Love within the Divine Consciousness of Oneness.

Therefore, the goal herein is to set forth, in the following unfolding, the qualities and transformations that must be embodied--both individually and collectively--within nations, all nations upon Terra-Urantia, for the sake of the long-sought and urgently needed great renaissance.

This is about Nature, Love, Purpose of Life, Thought, Explanation of what Prayer and Meditation are and their Power, to bring about a permanent and enlightening communion with THE SOURCE ALL THAT IS.

The Purpose of LIFE

All of Nature is the manifestation of Love. Every motion effect in Nature is a manifestation of the NATURE OF GOD, for Nature gives of its all in every action and regives equally in every reaction. This is why the movements of the celestial bodies can be and are predictable. The electric heartbeat of nature expresses love in both halves of each cycle of the universal heartbeat. **Nature never takes, for God never takes. It always gives equally, for God always gives equally.** The equally balanced giving of God for regiven is never violated in Nature, it is the Law. It could not be violated for Nature is an extension of GOD'S NATURE. For this reason, the balance of Nature can never be upset.

When we commune with God, let's not have a written desire upon our hearts for that which is to be given to us. Rather, let's ask to be inspired as to what we can give and how, **in order to be worthy of what will surely be given us if we first give. UNLESS WE FIRST GIVE, WE WILL NOT BE RE-GIVEN.**

Let our thoughts be energized to express love by giving love first so that its inviolable reaction will regive love. **To giving possessions is not giving love. Love can only be given from our Self to another Self, and love given without Self is not love. To extend love is to multiply its Light infinitely.** To the extent that we are illuminated with the Light of Love, which comes only from communion with the Source of Love, to that extent are we empowered to manifest our genius in masterful creations of our own.

Unless the Light of Love that illuminates us is extended into our creations, they are but dead things that cannot endure.

What has just been said is the Universal Law, an inexorable and inevitable Law, which cannot be violated. **But let's talk it over with God in our hearts and we will truly know that if we defy the Law to the slightest extent, it will equally hurt us, while if we work with it, it will work with us to the fulfillment of all our desires.**

So, the PURPOSE OF LIFE must be considered as an ascension towards the topmost pinnacle of Man unfoldment through comprehension and incarnation of the principles of Balance and Love on which light has just been shed in the previous paragraphs. This topmost pinnacle, beyond which no man can go, is the illumination into Cosmic and Christ Consciousness. Thus, the path towards this supreme goal will be clarified so that each aspiring seeker can become aware of his own Immortal Divine SELF. It is therefore crucial to give an idea of how everyone can touch and use that which is within them so that they can find their own TRUTH.

The Divine spark of this One Light lies dormant in every human being. As long as it remains in this state, we are only aware of our mortal body that lives and dies and has

physical desires that we are forever satisfying. That awareness of physical existence lasts for several centuries after primitive Man emerged from the jungle and before the dawn of his Consciousness begins to awaken a slight awareness of the Light of his Divine power.

During this period, he is so dominated by his body desires that he thinks and believes that his body IS his Self. When this stage is transcended in some, come these extraordinary personages who are considered as "geniuses" or "prodigies". This is the first step of the purely physical Human towards his Spiritual-Mind goal. Every genius has started to develop God-awareness within and knows that he is MIND and not body.

All body-dominated human beings think outwardly through their senses. They can hear sounds with the ears of their bodies.

They can see objects with physical eyes and record memories of such sensations upon their brains.

Every genius, on the contrary, thinks INWARDLY towards his Mind instead of outwardly towards his senses. The genius can hear the sounds that arise from the silence with his inner ears, see nonexistent forms with his inner eyes and feel the rhythms God's thinking and knowledge -- which is a blank slate to the 'Man who believes he is his body. When a man rises to the exalted state of genius, he becomes a co-Creator with God. The beginning of creative expression in Man is the first evident of the unfolding Light of his genius, for no man who is purely sense-controlled can create. He can remember and repeat the records he has imprinted upon his physical brain, but his brain has no knowledge. Therefore, he cannot create. **Man can only create with his MIND and the brain is NOT the mind. It is merely the seat of sensation and the electric sensation recorder.**

This information produced by the Brotherhood of Light has already been included in certain appendices of the New Civilizational Concept, NE DUKEKLĚ, but it is worth mentioning and repeating for a sufficiently clear presentation if we are to understand beyond all the misconceptions produced to date. .

Humans must think outwardly through the senses in order to live and function in a sense-objective universe, but the genius, who thinks inwardly toward the Light of his Self, can see or imagine that which exists spiritually and can then think outwardly through his senses physically cause his mentally-visioned image to exist physically. This is what Creation is -- and what the genius-creator does.

Transforming THOUGHT

Our first task, if we are to attain enlightenment, is to learn HOW TO TRANSFORM OUR WAY OF THINKING so that the marvelous genius within us will appear and intensify towards that higher state which transforms and transmutes us into the next stage of spiritual unfoldment.

The journey of LIFE is indeed long and it must be understood that it requires many experiences and manifestations to arrive at the destination in the Light of our own immortality, within the Omniscient. Each life, however, is another step toward that goal, and each day of each life can be a greater step than the previous one. Each experience is vastly important, far beyond that which is registered on the consciousness at any one moment. When we arise from each sleep period with a fully regenerated body, the seed of all that has transpired in all of our lives unfolds in the new life cycle to bring us even closer to the door of the Immortal Light.

Each step upward toward that Light is a glorious one, for it becomes nearer and is worth the effort of its attainment -- while each step the other way toward the dark is ignominious and fraught with cosmic frustration which may take many experiences to overcome. Hence we **MUST** go forward to attain that glory, and the purpose here is to give the knowledge which will make it possible to go forward toward the Light to any extent we desire, without limitation; **BECAUSE MAN'S LIMITATIONS ARE SET BY HIMSELF.**

Cosmic knowledge can be shared with others who desire to attain it, but only those who have attained it can "give" it unto another. But the other must accept the gift lest it be worthless. To all who reach toward the Light, the gift is offered. Knowledge of the God's ways is brought forth, likewise the processes and laws governing the creation of matter and electric motion, so that other men may likewise know how God builds His universe and destroys it in eternally repeated life-death cycles. And also knowledge of how the Creator divides His light-waves of thinking into balanced male-female pairs of sexual opposites to continue the building of His sexed-electric universe.

But this one portion of knowledge is not enough to bridge the chasm which our Humanity has presented as blockage between itself and God. Therefore, we must take into consideration a balanced Life Wisdom which conforms with God's ways, processes and laws. If we have the **WHOLE AND PUT IT INTO PRACTICE**, we will be able to grasp the Peace, Happiness and Prosperity that conformity with God's Laws can alone bring to Warring Fear-Ridden Man who defies unknowingly God's Laws or blatantly knowingly defies them.

Human has not yet realized that God will work **WITH** him in the building of his individual or collective destiny, but He most certainly will not work for him. Every

Being must KNOWINGLY create himself and his destiny WITH HIM and in accordance with His Law of Balanced Interchange in all transactions. To work WITH GOD KNOWINGLY, we must KNOW GOD and His Ways. WE CAN KNOW ONLY BY KNOWING OURSELVES AS MIND-SPIRIT INSTEAD OF THINKING OF OURSELVES AS SENSED BODY.

The transition from sensed-body awareness to a Mind-God awareness is within reach of the Human race at present. This knowledge is produced so that Humanity can come to KNOW God as the ONE reality and His universe as a simulation of the reality that HE IS. Man can think only what he knows in his Mind, or senses through his body. Likewise, the same principle applies to nations.

Men and nations become what they think, as thoughts are CREATION, and we have witnessed this for a long time now. The point is, however, that the perception is being placed there by others to manipulate, which implies that we are not in control of our thinking. Standards are determined by what people and nations come to think. High standards are attained through mind-determined controlled thinking, and low standards are attained through sensed thinking.

CIVILIZATION WILL SURVIVE AND GROW TOWARD THE LIGHT ONLY TO THE MEASURE IN WHICH MANKIND KNOWS THE LIGHT, which means a lot of tedious lessons to learn and practice. Therefore, the measure of our knowing must be increased so that we can become consciously aware of our Source to such an extent that we can knowingly say, "I and my Father are ONE", and have FULL COMPREHENSION OF ITS PROFOUND MEANING.

So much foolishness has been projected into mystical aspect by the terms of the so-called "modern new age" concept. The oldest communion known between God and Man is by "meditation" and yet the beauty of the meaning of the communion has been almost destroyed by our misuse, implicit toying and game playing. This is always a thrust of the adversary to draw us from our Lighted Path via disappointment and lack of success in communion. If we fail, we will reject the next who comes and offers information through the same label. So all that can be done is to offer the cup and the rest entirely depends on each of us as to whether to drink or not.

THE CONNECTION TO GOD IS INSTANT, ITS PERCEPTION IS ELUSIVE. WORKING SO HARD AT THAT WHICH WE THINK WE SHOULD DO TO MAKE CONTACT, CAUSE US TO MISS IT. FIRST, LET'S KNOW THAT WHICH WE ARE EFFORTING TO ACCOMPLISH, NOT SIMPLY PLAYING A GAME OF "LOCATION", "DRESS", "FOOD INTAKE", ETC., FOR ALL OF THESE THINGS ARE FOR THE PHYSICAL SENSES AND HAVE NOTHING TO DO WITH THE MIND-THOUGHT OF GOD. THERE ARE PHYSICAL SENSUAL METHODS TO ASSIST IN "FOCUS" OF ENERGY, ONLY AS A FOCUS OF THOUGHT-ENERGY.

CREATOR-GOD GRANTS THAT WHICH IS PETITIONED FOR IN SINCERE TRUTH -- THE CALL COMPELS THE ANSWER.

Scientific Explanation of PRAYER and MEDITATION

Now let's talk about "prayer", which is the basic desire from which meditation developed.

Prayer is the mightiest of man's powers, for through it, if understood and rightly used, and accompanied by action, man may have anything he desires, attain the loftiest heights, or extend his powers to others for their exaltation. Rightly and knowingly used, prayer can transform our own condition or that of the whole world. If not used rightly and knowingly, the time consumed is wasted, for it will be of no avail.

Desire what you will and, behold, it stands before you. Throughout our multitudes of lives, this power has been ours without our knowing, even though we have but to ask for it. Sit not and ask, acting not, for unless we reach out for our desire, it will not walk our way unaided our strong hands and arms.

It means that God will fulfill all our desires if we work with Him to fulfill them. All the power of the universe will work WITH us for their fulfillment, but it will not work for us while we do nothing about it.

In this promise is the key to explaining why prayers are answered or not. God very plainly tells us that He will give us whatever we desire, BUT WE MUST GIVE BACK EQUALLY BY THE ACTION OF SERVICE TO GOD THROUGH THE NATURE OF OUR FELLOWMAN.

Think that over. Recall the many prayers we have uttered and how disappointed we were/are because they have not been answered. Most prayers are simply selfish ones, constantly asking for something to be given without even intending to give something in exchange.

Think of the thousands of petitions sent up to God with the hope that what is asked for by people will just fall into their laps. We ask God for money. God says, "Yes, I will give you money, whatever you want, but what are you, yourself, giving for it? What is the price you are paying for it".

Let us quote the message of God in the Word:

He who desires riches of earth alone, denying Me in him, shall dwell in outer darkness of his own making, until he shall desire Me strongly.

Even to him will I give all he asks without stinting; yea, and even more; but he, having more than all he sought will have nothing but worthless "stuff" in his earth desire.

Things of earth which man desires are but things of earth to be returned to earth with bones of him. But things of earth, heaven blessed by Me, are as eternal in the immortality of his Self-recording Soul as Light of Me IS ETERNAL.

We ask God for peace, happiness and prosperity to be given to us, but we take peace, happiness and prosperity away from another by malicious gossiping about our neighbor or treating unjustly our servant, thus depriving him of happiness, or by falsifying the product we are selling.

Until we balance our desire for peace by giving peace, or happiness by giving happiness, or prosperity by giving prosperity, our prayer will be voided by ourselves.

The only way we can have happiness given to us by the Light of Love, which God is, is that we give love to others. We cannot take happiness or love. We can only give it. If we give love, it will as surely be given to us as light radiated in a mirror will reflect light from the mirror.

Witness the nations that have tried to become powerful, prosperous, peaceful and happy by plundering other nations. Empires who have thus taken by force, without giving equally in exchange, are heavily in debt and on rations, and for every man killed in taking wealth and happiness of others for themselves, ten have paid the price in blood and a thousand in tears. The great fortunes which have been built on this principle also bear witness to this.

NO MAN HAS EVER YET BEEN ABLE TO PURCHASE HAPPINESS, PROSPERITY, PEACE OR LOVE WITH ANY OTHER COIN THAN HAPPINESS, PEACE AND LOVE.

THIS INFORMATION IS A PRESENTATION OF THE LIFE WISDOM, A PRESENTATION OF UNIVERSAL LAW AND FRANKLY, OF NATURAL SCIENCE AS IT AFFECTS THE UNIVERSE AND MAN IN ITS PHYSICAL ENVIRONMENT.

Now to "meditation" for that which it REALLY is.

Meditation is the MOST IMPORTANT of all the functions of Human life which advance Human progress. We know so little about it, even the greatest geniuses in the world who constantly practice it in a "deliberate" state, but cannot explain it, that it now seems necessary to define and explain this Divine function. With a sufficient explanation, everyone can KNOWINGLY practice it and thus knowingly command

that his achievements be masterful. The concept is universal and works toward everything, therefore its use rests solely on the individual personality using the information.

THE VERY OBJECT OF MEDITATION IS TO ALLOW US TO GIVE BODIES TO IDEAS CONCEIVED BY OUR MIND. WE CAN LEARN TO COMMAND ACHIEVEMENTS, COMMAND THE BODY INTO PERFECTION, OR OUR LIFE TO BE FULL TO OVERFLOWING, FOR THROUGH MEDITATION EVERY MAN CAN BECOME WHATEVER HE WISHES TO BECOME.

But, of course, we are talking about TRUE meditation and not the games of gurus and "New Age groupies" who do not fully understand a thing they are practicing.

Meditation is communing with GOD for the purpose of working knowingly with GOD. This definition is the one with which we will exclusively work herein. If we don't practice in perfection, we will most likely commune with the evil resources and never make it to communion with the GOD OF LIGHT! The physical representatives of our "senses" of physical manifestation will ALWAYS show up first and lie, again and again. Furthermore, it is up to us to ensure and demand that they remove themselves for they are allowed to remain and deceive until WE DEMAND THEIR DEPARTURE AND ASK IN THE LIGHT AND ONLY IN THE LIGHT OF DIVINE BROTHERHOOD.

MEDITATION MEANS THINKING INWARDLY TOWARD THE MIND-SOUL RATHER THAN OUTWARDLY THROUGH THE SENSES.

Let us recall that "Christ" declared to Man to seek the "kingdom of heaven" WITHIN HIMSELF, NOT OUTSIDE. By that He meant that God dwells within man, and that God-awareness will come to any man who communes with HIM through inner thinking.

There are only two kinds of thinkers in the world--those who think outwardly through the brain and those who think inwardly toward the Soul. Outward thinking develops the physical qualities and desires of men, while inward thinking unfolds the spiritual qualities which awaits fulfillment for long ages of man's slow journey to the Light of his own Divinity.

Working Knowingly With GOD

When we KNOW that God's Mind and ours are one, and we are consciously aware of His presence every working moment, our work could not be otherwise than masterly. ONE CAN AT ANY TIME KNOW WHEN HIS/HER WORK IS MASTERLY. To

work knowingly constantly with God, never ceasing, is to be constantly inspired by the ecstasy of His nature. We can also recognize that instant when our work is NOT MASTERLY and again is only outward through the "senses". All who are projected as humans into the physical world will function through those "senses" for IT IS of human to so do. It requires training and desire to come into the KNOWING OF FUNCTIONING WITHIN THE MIND-SOUL.

To work knowingly with God constantly, never ceasing, is to be constantly inspired by the ecstasy of His nature, as has just been said. God is our teacher in actuality and we need no another. He is always with us, as Soul, and lifts us all to great heights. Some have walked, talked and worked KNOWINGLY with God throughout our human experience, but it is rare indeed that we did so in TRUTH for usually the evil deceiver gets there first and pulls the human into the worldliness of "things" and "fleshly desires" and God is put aside. There have, however, been the blessed ones who have not been pulled into the trap, or once out of it, are never again ensnared. We will find these ones neither foolishly pious in presentation nor of the type "simply BEING". They are very human in presentation, often functioning within the human aspect WITHOUT and through these human "senses" and always "busy" -- not "just being". For it is through our actions that we are judged, not by sitting on our assets "being" nothing. For if we are "doing" nothing, we have made our decision as to whose side we are already on, and we but fool ourselves -- THE BIGGEST FOOL OF ALL!

HOWEVER, AS WE MOVE ALONG IN APPOINTED TASKS, WE MUST BE ABLE TO DEMONSTRATE BY OUR OWN LIVES THAT WHICH WE MUST TEACH TO OTHERS. WE MUST LIVE IN A MANNER WORTHY TO MANIFEST THE POWER WHICH GOD GIVES TO EVERY HUMAN FOR A MERE ASKING, AND IMMUNIZE SELVES AGAINST ALL THAT IS UNLOVELY IN ORDER THAT WE COULD FOREVER CREATE WITH HIM THAT BEAUTY OF RHYTHMIC BALANCED THINKING WHICH IS HIS UNIVERSE.

REASON WHY WE WRITE DOWN THESE TEACHINGS IN THIS PAPER, SO THAT THEY CAN ALWAYS BE AT THE DISPOSAL OF EVERYONE WHO SEEK THE ZERO OF STILLNESS, CREATOR-SOURCE, IN NEAR PLACES AND FAR BEYOND WHERE THE HUMAN "ONE" CAN GO, FOR IT IS THE MASSES WHO MUST RECOGNIZE THE SOURCE.

Before moving on into the steps of How and What, etc., let's visit a bit about the ego-self. This IS the manifestation of the greatest sensing in the human being. It IS that which causes separation and to simply "override" this ego totally an incapability for it IS our humanness! We will never be able to override it, other than to train it to willingly give access to high influence; we will mold it to set aside of itself to allow and welcome God within. It is the ego which stands at the door of the soul and allows or disallows passage within.

There are methods of causing that ego to step aside, that human consciousness to bow to higher input, to negate self unto higher knowledge, but it requires knowing the "how-to". But a hint -- THIS IS WHY the orthodox doctrines of religions will deny use and denounce hypnosis as EVIL. It is the only ROUTE to accomplish the setting aside of that ego through OUR OWN POWER. Once again, man has ruined the very term and caused something that IS THE TOOL of God to be pronounced evil and to be avoided at all costs -- so that the "would-be rulers of our destiny" can remain in total control of our physical aspect and likewise keep our soul entrapped in the lie. If MAN can keep us from communing with God, he can control us ! If ever we are to find God and be WITH GOD -- WE MUST COME INTO COMMUNION WITH HIM AND BYPASS THE INPUT OF MAN.

Since our time as a human is short indeed and our time with God is long indeed, infinite, would it not be worthy to learn to talk with God and get His instructions for passage and desist listening to the misguided and misguiding ones from the pulpits and thrones of "authority" and "experts blatherings"?

IT IS THE CONTENT OF THE MESSAGE WHICH IS TRUTH OR FALSE AND WE WILL DISCERN THAT FOR SELVES. NOT ACCORDING TO WHAT OUR NEIGHBOR TELLS US, FOR THAT IS ONLY WHAT HE PROJECTS.

AND, IT CAN NEVER BE REPEATED OFTEN ENOUGH: IT IS FAR EASIER TO THREAD THE CAMEL THROUGH THE TIGHT PLACES OF THE NEEDLE'S EYE THAN FOR THAT ONE WITH GREAT PHYSICAL ASSETS TO MOVE INTO THE KINGDOM OF GOD, FOR THE SOUND AND VISION MUST GO THROUGH THE WALL OF SOLID GOLD METAL WHICH BLOCKS THE FLOW IN INSIGHT.

IN REALITY, IN THE MATERIAL AND SPIRITUAL REALMS, WE CAN GET ANYTHING WE DESIRE! INDEED, WE MUST LEARN THAT WE MUST, FOR GOD IS ABUNDANCE. BUT, FIRST WE MUST HAVE GOD, THEN, ONLY THEN, CAN WE RECEIVE IN PROPER "VALUE" THE "SUBSTANCE". IF WE "TAKE/RECEIVE" FROM GOD IN ABUNDANCE AND THEN REFUSE TO REGIVE IT UNTO GOD FOR HIS USE, THEN THERE IS NO WAY IN WHICH GOD CAN "REGIVE" UNTO US FOR WE HAVE CLOSED OUR HANDS AND HEART FROM RECEIVING MORE! PONDER THIS, FOR IT IS INDEED A MOST IMPORTANT LESSON. WE MUST EMPTY THE FRUIT JAR IF WE WISH TO ACQUIRE MORE FRUIT FOR THE CONTAINER. FURTHER, IF WE STORE THE SUBSTANCE FOR TOO LONG, IT IS NOT ONLY NOT "GIVING" AND "REGIVING" BUT IT WILL SPOIL AND BECOME WORTHLESS! HOW MANY OF US WILL SIT AND HOARD ONLY TO HAVE THEM FALL INTO WORTHLESSNESS?

At whatever measure we choose, all things of the physical are of worthlessness from the moment we leave the physical -- AND ALL GO THROUGH THAT EVENTUAL CYCLE!

Our time of "I'm going to do something Godly next month" or "Next Sunday" is being judged NOW! TODAY is all we have, this instant, do we wish to be judged for an eternal placement on that which we project RIGHT NOW? Are we asking for our gold BACK, more gold, safety of our "possessions", or are we in total service, giving and regiving? DO WE GIVE expecting rewards of greater physical substance? What are our values? THE ASSUMPTION is that we will be rewarded in like kind, as the seed has been sown. If we give to God, that which we give (even if it be actual gold) will be returned many times over -- UNLESS WE GIVE IT ORIGINALLY WITH LIMITATIONS AND EXPECTATION OF "LOSS" -- FOR WE WILL RECEIVE EXACTLY THAT WHICH WE PROJECTED AND IN THE MANNER GIVEN! IF WE EXPECTED TO LOSE IT, WE WILL SEE TO IT THAT WE DO SO, IT HAS NAUGHT TO DO WITH GOD!

If we make an investment with full knowledge of how it is made and functions -- then decide that we want to control what we have invested -- so be it, and if we break the agreement to regain our assets -- That too is fine, but WE WILL BEAR THE EXPENSES IN SUCH HUMAN ACTIVITIES -- NOT THE ONE WHO ACTED IN GOOD FAITH -- FOR IT IS OUR LACK OF GOOD FAITH WHICH IS THE PERPETRATOR OF THE AFFAIR. NOR WILL GOD LOOK FAVORABLY HIS SERVANTS WHO MISUSE THAT WHICH HAS BEEN GIVEN UNTO HIS WORK IN ORDER TO REPAY, WITHOUT LOSS, THOSE WHO DECIDE THEIR ASSETS ARE MORE WORTHY THAN IS GOD. THIS IS CALLED RESPONSIBILITY OF SELF ACTIONS AND CYCLE OF CONSEQUENCES FOR ACTIONS.

God is not mystical, weird, pious, foolish, nor absurd. He is a very practical resource and it is best that we separate all the drivel from the focus and look upon God as the reality of representation represented herein. We need not any of that religious indoctrination for it only holds us in prison; we had better cast aside all the nonsense and get on with that which is REAL because this illusion is killing us!

//////////

Now, in order to build upon the solid, eternal foundations provided by the inviolable Laws of Creation, we must, of course, understand and integrate them into every one of our actions--in our thought-sense-perception pattern.

The following pages outline and explain the main laws governing Life through examples in contexts clearly recognizable to everyone. Their integration into all educational and media programs, etc., is and will remain vital, decisive for the rising of the individual and collective Mind.

Understanding The LAWS of GOD and CREATION

Also Called "THE LAWS OF BALANCE"

I

THE HIGHEST COMMAND OF THE LAW OF CREATION IS

Achieve the wisdom of knowledge inasmuch as this will enable you to wisely follow the Laws of Creation.

This means we must seek and demand that the TRUTH be shown to us so that we must develop that ability to discern and judge all information, actions and behavior with selves and others which go against the Laws of Balance given forth by GOD and The Creation.

This also means that when information is put before our attention, we must ask the FATHER within us to show us whether or not it is true and to give us the verification we need for understanding the Truth in all the information and situations which HE puts before us. THIS means that we must have the courage and the determination to conquer fear, apathy and ignorance within our altered ego TO ACHIEVE THE WISDOM OF KNOWLEDGE OF TRUTH!

II

THE HIGHEST COMMAND OF THE LAW OF GOD IS

You shall honor God as The Ruler of the human races and follow His Laws for HE is the "King of Wisdom".

I

YOU SHALL HAVE NO OTHER GODS THAN THE GOD CREATOR BEFORE YOU AND ABIDE WITH THE LAWS OF THE CREATION WHICH ENCOMPASSES ALL. ALSO KNOWN AS "THE LAW OF ONE"

The significance here is that we must recognize that our soul existence and our life on this plane is only possible by the wondrous grace of God, our Creator. We must recognize and honor HIS HOLY PRESENCE within us AND IN ALL THAT IS, because it is by HIS HOLY GRACE that we shall be able to receive His guidance and instructions for WHAT our service is to God and to Creation to maintain the glory of

Light and Love and Life in a constant unfoldment of the glorious mystery of THE ONE. In other words, WE will learn to understand and be always connected to the ONENESS of ALL THAT IS in Creation.

To remember and understand THE LAW of ONE, we must realize that ALL beings and creations are EQUAL OR EVEN in reflection and importance to THE ONE GOD, only that each is simply DIFFERENT in abilities, talents, and in beingness as an EXPRESSION OF THE ONE ALL THAT IS.

Contrary to our own "opinions", we as A HU-MAN (Higher Universal Man) are not superior or inferior in importance to the tree, the rock, the bird or ANY other being or creation of THE ONE.

Furthermore, we must understand the true nature of the Laws of Balance given forth by our FATHER as it relates to HUMANS granted with the GIFT of FREE WILL. For example: If ALL humans were removed from this planet, the mineral, plant and animal kingdoms will remain in balance, MOST CERTAINLY!

2

YOU SHALL NOT MAKE FOR YOURSELVES IDOLS AND FALSE IMAGES TO WORSHIP AS GODS FOR THEREIN YOU GIVE POWER INTO THE HANDS OF EVIL

This means that there is NOTHING in material manifestation for us to worship as our GOD, or as a so-called divine intermediary. There are no temples or churches, deities or crosses that need be the places or images to worship in or of. Nor are there any priests, ministers, rabbis OR ANY OTHER HUMAN who may act as representatives BETWEEN us and God. EACH and everyone of us, Human Beings, carry the TEMPLE OF GOD WITHIN! We are the temple. And so with this truth in mind we might ask ourselves **WHERE DO WE TAKE GOD IN OUR LIFE JOURNEY?**

So we must not place the attainment and hoarding of "worldly" treasures above the attainment of our spiritual wisdom and perfection lest we "die" in the darkness of spiritual poverty.

A good example of this false image of "worship" quite prevalent now in our societies is THE WORSHIP OF GOLD. If we make the accumulation of gold (money) our first concern for the sake of having more and better "things" and possessions, we are pushing God out of HIS temple and the Anti-Christ will become our constant bedfellow, urging us to consider ONLY our material desires, promising us greatness and importance ABOVE our sisters/brothers, so that eventually God within us becomes but a glimmer of what was once the flame of our eternal GOD

EMPOWERMENT within. And if WE allow our Altered Ego POSSESSION by the Anti-Christ to rule our being, this latter will not stop until our flame of life is extinguished and our spirit is left ALONE and naked to stand before self and God in the agony of self-judgment of the transgressions against HIS HOLY PRESENCE.

After reviewing the aforementioned Law Two, it clearly transpires that all of Humanity is mired in idolatry, or at the very least in ignorance or misunderstanding of the Divine Commandments. Religious, philosophical, and traditional practices--whether African, Western, or Asian--were originally founded on false premises or have been perverted and falsified by human groups under the influence of the anti-Christ/anti-God. From this point on, we can mention or speak of GOD at every turn, yet all of this will only address an egregore of darkness nourished by our confused and negative thoughts, which are sustained and fostered by Evil.

Furthermore, most of our daily thought-behavior patterns are obviously and unambiguously unbalanced in nature. For example, Voodoo cults, through representations of idols and statuettes in churches and monasteries, are essentially the same thing: idolatry. This is explicitly prohibited by the Laws of Creation to maintain a permanent balance within Creation. A return to compliance with these Laws is therefore needed more than ever.

3

YOU SHALL LOVE THE LORD GOD WITH ALL YOUR HEART, SOUL AND BEING (YOU MUST LOVE THINESELF AS GOD AND GOD AS SELF)

This means that within the Christ Circle of Infinity, which is the Christ consciousness of ONE, we must recognize the tremendous and Wondrous Love that our Lord GOD has for us to allow our experience in HIS Kingdom of life unfolding. We and ALL THAT IS are but the reflection of HIS LOVE and JOY of The Creation before Him. We are his co-creators in the infinity of The Creation and we are the co-creators of HIS jubilant Self-discovery within the unfolding manifestations of the mystery of the ETERNAL ONE. So when we despise ourselves or another, we despise THE very SPIRIT of LIFE ETERNAL and it all exists within US.

OUR Great Central Sun, the ONE Eternal Light is beckoning to us:

I AM THE LIGHT, I AM THE JOY, I AM THE LOVE, I AM THE TRUTH, I AM THE ADVENTURE, I AM THAT I AM....AND SO ARE YOU! YOUR TICKET FOR THE ETERNITY THAT I AM IS YOUR LOVE OF THE HOLY SPIRIT OF LIFE WITHIN SELF AND ALL THAT IS!

Let us also remember that in our physical world, we have a physical body which we are given to use to house OUR SPIRIT OF GOD WITHIN. We must take care of the needs of the body with proper food, water, clothing, shelter, exercise and rest so that we remain vibrant, clean and healthy in order to perform, with honor, the service of GOD.

Thus, we must not knowingly "poison" the body with the ingestion or inhalation of devastatingly harmful and addictive "drugs", whether of "legal" or "illegal" status by Earth standards. The spirit of God within us needs no "mind" altering to connect and commune with the HIGHEST DIVINE LIGHT OF THE ONE ALL THAT IS.

4

YOU SHALL NOT USE THE NAME OF GOD IRREVERENTLY, NOR USE OF IT TO SWEAR TO A FALSEHOOD

This means that we shall not cast BLAME against or curse another IN THE NAME OF THE FATHER in our thoughts, words or deeds. We must take full responsibility for our own errors or transgressions against self or others. And so when we blame, curse, resent and condemn another being, we are ALSO blaming, cursing, resenting and condemning GOD our Creator, who exists as the flame of the IMMORTAL LIFE WITHIN US and ALL OTHERS. Therefore, when we cast outward the blame of irresponsibility and denial, it must be returned to us UNTIL the lesson is learned by WE who are the creators of the transgression upon the ONE SELF in the first place.

Furthermore, we must not knowingly and purposely deceive or lie to ourselves or to others in the name of OUR HOLY FATHER. So when we say, "I swear this to BE the total truth in the name of GOD", we had better KNOW that to be a factual statement, otherwise we have dishonored GOD'S SACRED NAME for our own selfish altered ego means.

It is important to remember that ignorance of the Truth is acceptable FOR A TIME, but let's remember, GOD within US will give us many opportunities to turn our ignorance into THE WISDOM OF KNOWLEDGE OF TRUTH. And if we are truly a servant of THE ONE ALL THAT IS, we will ALWAYS welcome the LIGHT OF TRUTH to shine within and before us EVEN if we find the truth to be abhorrent within our very being. This means that we cannot hide behind the BLIND ignorance

which rules us by fear and denial of responsibility. THIS ignorance is NOT acceptable in God's Kingdom because we thereby become the servant of the Anti-Christ and HAVE THUS given our lives into the hands of evil.

An unacceptable ignorance is this so-called wisdom, attached to some, of the TRUTH that says yes, "YOU are GOD and so you create your own reality". Many ones have falsely interpreted and interpret that to mean: "I can now ignore the reality that I have ALREADY contributed to the creation of and it will no longer be my responsibility because I am God". WHAT DO WE THINK HAPPENS TO ALL THAT ENERGY OF ALL THE THOUGHTS, WORDS, DEEDS AND ACTIONS WE HAD BEFORE WE BECAME, IN PERCEPTION, A "MASTER" OF "POSITIVE" MANIFESTATION? We may think that GOD JUST EVAPORATES IT FOR US AND WE ARE NO LONGER RESPONSIBLE!?! This is a FALSE BELIEF.

5

REMEMBER GOD'S "DAY" AND KEEP IT HOLY

Within the "so-called" Christian Bible, this law has been interpreted as the "A" day and the day chosen by HUMANS was the one called SUNDAY and also called "The Sabbath". It was the day which HUMANS said that NO work could be done and we must go to THEIR church and pray, repent and give thanks because this was God's day. We say this is not correct because ALL days in the Kingdom of God and The Creation are HIS. This means we must keep ALL of our Days HOLY in reverence TO THE DIVINE HOLY ONE PRESENCE OF GOD WITHIN ALL THE CREATION.

Every Day we must, as part of our prayer, acknowledge and give thanks and HONOR unto God and The Creation for ALL the blessings of Abundance, Wisdom and LIFE which the FATHER WITHIN US has bestowed us. Let us remember this about the true purpose and POWER of Prayer and Meditation. PRAYER is asking for guidance from the Father within for WHAT WE NEED TO KNOW IN ORDER TO SUSTAIN IN HIS SERVICE: "AND IN ALL THINGS, FATHER, NOT MY WILL, BUT THINE WILL BE DONE.". MEDITATION then is RECEIVING this information from the Father within to sustain in HIS service. Eventually, WE will ALL be in a constant state of meditation and communion (mutual participation or sharing) with the Divine Father within.

YOU SHALL HONOR YOUR MOTHER AND FATHER

This wondrous law has most often been taken only in a quite literal sense. AND it is true that we must honor the ones who have been the vehicles for our SOUL being sent here by the grace of God, THE SAME AS WE WOULD HONOR ALL THE BEINGS OF LIFE CREATED BY OUR CREATOR GOD AND THE CREATION. This means that as a babe and child we are dependent upon our parents, or others, to sustain us physically in the very least. There is also the tremendous responsibility that those who choose to be "parents" have -- defined as "A Father or a Mother; or any organization that produces another; a source or cause" -- THEY choose also to be our teachers and guardians, for us, GOD'S CREATIONS. They are also entrusted by GOD our Creator (whether THEY know it or not) the responsibility of giving US the tools to become self-sufficient and sustain in HOLY GOD's service for the remainder of this life-time. This is why in the more spiritually aware Kingdoms of God, ALL beings are NOT given the responsibility for the procreation of the species.

Firstly, it is an honor that IS EARNED by parents who fully understand THEIR responsibility to TEACH the Laws of Balance of God and The Creation. Secondly, the procreation of the species IS TAKEN VERY SERIOUSLY by our more spiritually advanced brothers on other planetary systems. The reason is that THEY recognize and honor the TRUTH of the LAWS OF GOD AND THE CREATION. THEY HAVE LEARNED THAT THE SPIRITUALLY WEAK WILL PASS ON THEIR DIS-EASE, APATHY, IGNORANCE, AND MISUNDERSTANDING TO THEIR PROGENY, thus spreading the insidious cancer and DESTRUCTION OF THE ANTI-CHRIST throughout their species. THEY KNOW THAT THESE CHILDREN OF GOD ARE THEIR PROMISE FOR THE BALANCED CONTINUATION OF THEIR SPECIES. So it goes that the pro-creation responsibilities are monitored VERY carefully to maintain Balance of the species within the Laws of GOD and The Creation. EVERY CHILD IS LOVED and carefully tended and instructed by ALL WHO HAVE EARNED this, one of the most important responsibilities of any HUMAN, THAT OF BEING A "PARENT" FOR GOD!

Now the other purpose for and meaning of this law is that we must honor the Mother and Father Principle of ALL THAT IS IN THE CREATION. A very wondrous example is that we must honor THIS beloved planet Terra who represents the Mother "principle" in that she nurtures and sustains the lives of all of God's Creatures who exist here. And we must Honor our Father GOD who gives forth the seed of the Spirit of ALL life within the ONENESS OF ALL THAT IS. Of course God IS the Mother/Father principle in HARMONY, BALANCE AND MOTION and so there

exist Mother/Father UNITY and BALANCE IN ALL FRAGMENTS OF THE DIVINE CREATION.

7

YOU MUST NOT MURDER YOUR FELLOW MAN

In the bible of the "so-called" Christians, this law is simply written as "THOU SHALL NOT KILL", which leaves room for misunderstanding of interpretation. What this law means is that we shall NOT WISH death upon another human being of God in OUR THOUGHTS as well as we shall not commit physical murder on another human.

This rule does not mean that we cannot defend ourselves and our family if our lives are threatened, because that is SUICIDE which is SELF-MURDER and therefore also against God's Laws. We must not ever choose suicide of our body because we feel worthless and "cannot" go on, for we dishonor the life-force of God within us. Only God within us must decide the end of a physical life-stream. That time will only come when our purpose and mission are accomplished so that the process and Divine Plan for our spiritual growth will not be interrupted. The remorse of the soul is oftentimes much greater, AFTER the suicide of the body is accomplished, than in the perceived "altered" ego illusion of suffering BEFORE the life-stream is terminated.

Just remember that when we honor God within ourselves and ALL THAT IS and we truly understand the laws of balance given by our DIVINE HOLY ONE, we would never consider self-punishment of suicide. We will simply CHERISH every living breath we take in the Gift of LIFE of God and The Creation!

For those of us who label ourselves "Feminists" and "Pro-Choice", which usually means PRO-MURDER of one of GOD's children, remember this: THERE ARE NO ACCIDENTAL PREGNANCIES. If we become pregnant, which is being the vehicle for one of God's new creations, CHOOSING an abortion because of OUR selfish and irresponsible sexual behavior IS STILL MURDER any way we look at it. Let us remember, each of us has received, with our "free will", THE PERSONAL RESPONSIBILITY for all of our thoughts, words, deeds and actions. There are definitely many possibly undesirable "effects" to illicit and wanton, lustful sexual activity. Pregnancy and Disease are two obvious results which do and have occurred more often than not.

Now, IF a woman is forcefully and violently RAPED against her will and becomes pregnant, then SHE must commune with God within her as to whether or not HE will terminate the pregnancy. So it will not be HER "altered" ego choice or will but THE FATHER'S WILL WITHIN HER WILL BE DONE. This is usually what a miscarriage

is, THE FATHER'S WILL. No ONE else will make this decision for HER, ONLY THE FATHER WITHIN HER!

8

YOU MUST NOT COMMIT ADULTERY

The literal definition of "adultery" is: "The voluntary sexual intercourse of a married person with someone other than the spouse". Now, the reason for this law, which still applies, was that long before and at the time when the Commandments were presented by Moses to the people, they were mostly simple-minded, ignorant, illiterate, and God-Fearing because of their previous false teachings given by religious/imperial leaders of their "time".

So in his loving mercy and infinite wisdom, God created the commitment of Marriage or Wedlock defined as: "A legal contract by a man and a woman to live together as husband and wife". (In the higher realms it is a very serious and joyful commitment and is called DIVINE UNION). In this way HE planted the seed of the JOINT responsibility of this husband and wife to each other AND any of their offspring they produced. This is why marriage is to be considered one of the MOST serious and SACRED commitments TO GOD!

Nearly 2000 years ago when the Master Teacher, ESU Immanuel (Jesus) was asked about the commitment of marriage and the rights of men and women. This is what he said:

"The bond of marriage between man and woman should be allowed only if both are of mental competence and capable of leading a marriage in according with the law.

"If, according to predetermined agreement, no price is paid, the law applies: the man must supply the needs of the wife regarding all of her necessities.

"The inability of a wife to bear children, or a man inability to sire children is no reason for divorce, nor does she or he deserve other opinions or actions.

"The only reason for a divorce is that of adultery, that is the destruction or endangering of the spirit, the body, or the life of the members of one's own family unit. If a person is divorced by his own actions of adultery, he/she should be sterilized, for he/she is unworthy of life and its laws because he/she has responded to the selfish lustful drives of pleasure seeking and has cast aside all responsible behavior".

Now, in the literal translation in order for ADULTERY to occur, then one or the other or both of the two adulterers would have to have made the vow of marriage. In God's Kingdom of Truth, this vow of DIVINE UNION made between two, a man and a woman to live together as ONE, is taken most seriously indeed because it is a commitment made to THE FATHER WITHIN, EACH TO THE OTHER for that **entire life-stream**. It is a contract with GOD rather than a legal contract of the human experience. This means that a man and a woman who cohabit together as "lovers" without a "so-called" legal contract must make THE SAME COMMITMENT to God as those who have the "so-called" legal contract, whether THEY realize it or not. It is not necessarily always a contract made with God TO PROCREATE the species because many who choose THE DIVINE UNION may not choose, be able, or be qualified to fulfill that (procreation) service to THE ONE FATHER. But the two "lovers" STILL HAVE THE SAME RESPONSIBILITY (as a "legally" married couple) for the offspring they may produce. If they only choose cohabitation because of sexual lust or other selfish reasons, they have thus denied THEIR responsibility to GOD, and will suffer the consequences of their actions at the hands of evil.

Does this mean that DIVORCE goes against the Laws of God and The Creation? YES AND NO! It depends on the TRUE circumstances experienced by the divorcing couple. For example: Since our commitment in life is always FIRST IN THE SERVICE TO GOD, then ideally, our chosen partner in marriage must support OUR commitment as well as his/her commitment TO THE HOLY FATHER.

If, for example, our partner batters us and/or our children physically or emotionally and thus does not support or honor either his or OUR commitment in the service to GOD, then we are no longer bound by our contract/bond of marriage. Why would GOD bind us and our children to a commitment of SUFFERING and PUNISHMENT? It is not logical. But, if our partner decides that he/she wants to divorce us because we are no longer attractive to him/her physically and sexually, THIS IS NOT AN ACCEPTABLE REASON FOR DIVORCE.

9

YOU MUST NOT STEAL (MATERIALLY OR EMOTIONALLY)

This law literally means that we must not steal; defined as: "1. To take (another's property, etc.) dishonestly, especially in a secret manner. 2. To take slyly, as a look. 3. To gain insidiously or artfully: as he stole her heart". And it also means that we must not steal the trust and good faith of others by lying to them about our true motives and intent. Malicious LYING and STEALING are opposite sides of the same coin.

Some examples of various forms of lying and stealing: If a man falsely tells a woman who is a virgin that he LOVES her and wants to marry her, but all he really wants from her is a sexual intercourse, he is misleading her. If she, in good faith, falls "in love" with him and also falls for the trap of his "false" promise made to her and succumbs to his pressure to express "their love" physically before the marriage vow is made, and he later abandons her, he has essentially "stolen" her heart, her innocence and her chastity for his own lustful, selfish intent.

Even if the woman wisely refuses her sexual advances, and finds herself rejected by him, he is still guilty of lying to her, **WHICH IS STEALING FROM HER EMOTIONALLY**. The big difference in these two scenarios is that, although she has been robbed emotionally, at least she does not have the "guilt" of dishonoring herself by breaking God's laws and giving away her chastity to an unworthy man. .

Now stealing in itself is a "sin" against God's Laws upon only the one who commits it, BUT when someone succeeds in stealing another's innocence, what he has essentially done is **WILLFULLY AND BLATANTLY** lied to him/her. So thus he has enticed and manipulated the other to also **BREAK THE LAWS OF GOD AND THE CREATION!** Therefore, in order for innocence to be "stolen" from another, the person who "stealing" must be doing so knowingly and blatantly with the **INTENT** of maneuvering another to fulfill his own selfish means and the victim must honestly trust him.

Let's say, as another example, that you are a child and you discover that your Father has a girlfriend "on the side". (Which is adultery, friends). When you face him with this, he TELLS you that you must "promise" him you will not tell your Mother. He still loves her and does not want to hurt her, the family etc. If you tell her, she will divorce and...and...and. Well, as a child, you are devastated in your heart because **YOUR FATHER** has asked you to LIE, but you "promised" him and so, somehow, it would be **YOUR** fault if you tell your Mother and you certainly do not want to cause your parents to divorce! This is emotional blackmail and the Father has stolen the innocence of his own child by making her promise to LIE and feel responsible (for **HIS** irresponsible behavior) for what "could" happen if she tells her Mother the truth.

Another thing that is very important to remember and to understand clearly. If one says what he knows to be a "lie" in true self-defense, privacy, or for the defense, privacy, and protection of another, this is not against God's Laws. (THIS does not mean lying to maliciously deceive about **EVIL SECRET** oaths or activities such as in the evil cult of **FREEMASONRY**). **THIS IS ONE WAY THE ANTI-CHRIST TWISTS GOD'S LAWS TO CONDEMN OTHERS BY ONES TELLING US WE MUST NEVER "LIE"**, which means: "1. To make a statement which one knows to be false; 2. That which is intended to produce a false impression". We can literally be made the tool for the harm or destroying of ourselves or others!

Now where it gets a little sticky with God is when, for example, we witness a murder, we know the murderer and because of our fear of being a witness and maybe threatened, we lie to the police and tell them we saw nothing. There are crimes committed daily against GOD's Laws of Balance, of which there are witnesses who are "too scared" to tell the police. **The criminal remains free to continue his crimes against GOD. We are talking about the breaking of GOD'S LAWS that do not change and are eternally the Laws of Balance within THE CREATION, not human laws.**

We also have something called "little white lie", defined as: "A false statement made with the intent of being polite or kind." This is also called the "social" lie. Now most of us do choose to politely lie to retain our privacy. This is one way, but there are ways to not lie and retain our privacy as well. For example, if someone asks you how much money you make or what you do with your time, you have several ways to answer it. You can lie, or the considered direct but harsh response is, "That is not your business". But for those of you who wish to honor yourselves and be polite to the other, you can simply say, "Please don't be offended, but I prefer not to answer that question as it does not concern you". There are situations that do fit the criterion of the white or polite lie, although many of us try to stretch the limits of those criterion. The key here is INTENT.

10

YOU MUST NOT COVET OR ENVY THAT WHICH BELONGS TO YOUR NEIGHBOR

Let's define the words "covet" and "envy". **Covet** means: "To long for something belonging to another". **Covetous**: "Excessively desirous (of something); greedy". **Envy**: "1. A feeling of resentment or discontent over another's superior attainments, endowments, or possessions".

So the literal meaning of this law is that we must not, because of our own insecure/inferior feelings and low self-worth, long to have something another has, such as money, a new car, a skill or talent. And then on top of longing for that "object" another possesses, we must not then have resentment for the person who has attained that which WE feel we desire, but have not created, exactly because of our insecure/inferior feelings and lack of self-worth.

What transpires when we become covetous and envious is that we become wrapped in our greed and resentment, and will not be taking "personal responsibility" for OUR manifested illusion. We will continue to create the perceived "lack" and will eventually be consumed by the effects of covetous and envious feelings, which most

often result in the various manifestations of "SELF-punishment", that is, anger, guilt, criticism, jealousy and depression.

II

YOU MUST NOT IMPOSE OR FORCE YOUR FREE-WILL UPON THE FREE-WILL OF ANOTHER ALSO KNOWN AS "THE LAW OF NON-INTERFERENCE"

This law was given forth by GOD so that the free-will and soul-evolution of each fragment would not be infringed upon without permission from GOD WITHIN, especially by God's adversaries being more aware of their power. This is each fragment's GOD-GIVEN protection so that there is justness in their individual process of God potential unfoldment toward THE ONE.

Furthermore, it even prevents our benevolent brothers from interfering or assisting without PERMISSION FROM THE HOLY FATHER. As it can be noted, during each life-stream of each fragment, there are present the opportunity and the potential for Divine Choice through the free-will experiences of each one. The "young" souls begin to unfold their GOD-NESS through the lessons they learn during each experienced life-stream. In other words, they learn by experience TO KNOW GOD within them, and what thoughts, words and deeds keep them in the darkness and ignorance of what their true God Potential is.

IF we feel the whisperings of the Anti-Christ within us, we can DEMAND IN THE NAME OF THE HOLY FATHER GOD AND/OR CHRIST SANANDA THAT ALL DARK FRAGMENTS AND ENERGIES LEAVE OUR SPACE IMMEDIATELY! They MUST leave. But they can "hang around" the periphery of our energy field and wait for a weak spot in our protective shield. This is why the importance of asking GOD for His "White Light" shield of love, protection, guidance, power, wisdom, integrity and courage. So we must ask THE FATHER IN US to please SHOW US that which WE NEED in order to serve HIS WILL. Hence the importance of: "NOT MY will Father, but in all things LET THY WILL BE DONE".

This sincere invocation is what keeps us on our path of SERVICE TO GOD and THE CREATION and out of the folly of ignorance and perceived separation where exist the Dark Brotherhood or Anti-Christ.

We may begin to see that many of us who are on this Terra now have experienced many, many thousands or even millions of lives on these lower levels BY THEIR

CHOICE of being or remaining ignorant of their own GOD POTENTIAL and connection to the ONE ALL THAT IS!

Here is a wondrous description of this "process" of discovery by our beloved brother, Germain:

"All dimensions of THE CREATION exist simultaneously. You simply have only your conscious awareness in this, the "3rd" dimension. As you work and live in this dimensional experience, you, with the help of your spiritual "teachers", are stretching your awareness to 4th, 5th and sometimes even higher dimensional levels. It's not a vertical stretch as you perceive things linearly, it's an EXPANSIVE all-encompassing stretch of awareness. Your awareness expands to the level of your UNDERSTANDING -- when you have learned one or some particular lessons, when you HAVE OWNED the lesson -- it frees your awareness just a bit more, stretching, moving, growing within "THE MIND" of the Universal I AM, THE ONE ALL THAT IS".

12

YOU MUST NOT JUDGE OTHERS, BUT YOU MUST WISELY JUDGE ALL BEHAVIOR AND ACTIONS WHICH ARE CONTRARY TO THE LAWS OF BALANCE OF GOD AND THE CREATION

JMMANUEL wisely told the people: "JUDGE NOT FALSELY LEST YE BE JUDGED FALSELY. For with whatever judgment you judge, so will you be judged, and with whatever measure you measure, so will you be measured. Therefore judge according to the logic of the Laws of Nature, which are from The Creation, for they alone are true and accurate".

"What do you see but the splinter in your brother's eye, and are you not aware of the sliver in thine own eye? You hypocrite, first, pull the sliver out from your own eye, and then see how you can pull the splinter out of your brother's eye".

"First, learn the Laws of Nature and of The Creation, their logic, before you judge and want to see the mistakes of your fellow-man. First learn through the Laws of Nature and of The Creation your own mistakes, so that you can correct the mistakes of your fellow-man".

Exactly as it is written, no one should ever judge another to be lesser or more than him, especially because the other one is of different color, race, creed or sex (or planet) than be we. BUT let's understand carefully that we MUST wisely judge the behaviors and actions of any ONE including SELF, which we KNOW are against LIFE, meaning

against or contrary to the Laws which maintain the "Balance" created by GOD within The CREATION. And so we must honor ALL our brothers and sisters as equal fragments of THE ONE, but we must not accept, tolerate or "allow" behaviors and actions, which we know break the Laws of Balance, to continue in our space.

But we must not think harshly of another and call him STUPID or UNWORTHY because he is different in personality and behavior than we are and understand. EACH IS EQUAL IN REFLECTION OF GOD, ONLY DIFFERENT! Let us celebrate and honor the unique differences of others: they, as we are, are expressing THE FATHER WITHIN THEM in a unique and glorious way. Remember, GOD allows ignorance of the Laws only to a point, and then he is pushed out of the "temple" of any of HIS fragments who continue THEIR blatant disregard and dishonor for LIFE.

13

AS YE SOW SO SHALL YE REAP. ALSO CALLED "THE LAW OF CAUSE AND EFFECT"

This is the law that most choose to ignore or misunderstand when they do not want to take personal responsibility for their manifested experience, perceived "good" and/or (in particular) "bad".

God created "cause" and "effect" so that each soul fragment recognizes that when he did a specific act, say stole his brother's car, that there would be an "effect" to his transgression, such as maybe going to jail. But the nature of the effect is produced in a way unique to each individual fragment which will bring the greatest opportunity for the UNDERSTANDING of the lesson for that soul fragment. Unfortunately, for many, repetition and repetition of same/similar "errors" has continued over the course of some thousands of years. It is really by choice that the soul would refuse to take personal responsibility for his/her thoughts, words and deeds. The thing is ALL ARE RESPONSIBLE FOR ALL WHICH OCCURS WITHIN THEIR MANIFESTED ILLUSION, whether or not one WISELY chooses to finally recognize and accept this Truth is entirely up to each. We will always "suffer" the consequences of our actions that are contrary to God's Laws, and/or also reap the Divine benefits of understanding and obeying them.

**YOU MUST HONOR ALL COMMITMENTS MADE
IN SERVICE TO GOD, THE FATHER, THE ONE WITHIN**

Let us describe what commitments are made in service to GOD against those of this manifested illusion. Our MOST IMPORTANT commitment in service to GOD is to WISELY understand and obey THE LAWS OF GOD AND THE CREATION unfolded here for us. This is The excellent way for honoring self and GOD within ALL others in service to God and The Creation. Simply, UNDERSTAND AND OBEY THE LAWS OF GOD AND THE CREATION. We have made this commitment difficult for ourselves and it no longer needs be so.

WE NOW HAVE THE LAWS BEFORE US AND NEED NO LONGER CLAIM IGNORANCE OR MISUNDERSTANDING.

THE TIME NOW IS FOR KNOWING AND OWING OF THE TRUTH!

Now to "other" types of commitments made, first defining what "commitment" means in our dictionaries:

- "1. The act of committing (to devote oneself unreservedly), or the state of being committed.
2. An engagement or pledge to do something".

Other commitments which are made in service to GOD include marriage, parenthood, feeding and tending the physically hungry, poor and ill, and SPREADING THE WORD OF TRUTH ABOUT THE SPIRIT OF GOD AND THE CREATION to ALL of our spiritually ignorant and starved brothers/sisters who will listen.

If we make a promise or a commitment to a fellow brother or sister to help them in some way, such as pay them for a service performed for us, or to feed their pets and take care of their house while they are away, then our WORD represents our integrity to honor to the best of our ability ALL promises made to the other. OUR PERSONAL POWER IS IN DIRECT RELATIONSHIP TO THE INTEGRITY OF OUR SOUL. This means that if our word of promise or commitment means nothing, then we dishonor ourselves, our brethren and GOD and become "powerless" and therefore a tool for evil.

**YOU MUST OBEY THE WISDOM OF GOD
FOR THE RESPONSIBLE AND BALANCED
PROCREATION OF YOUR SPECIES**

Now to the "DIVINE and SACRED act" created by GOD for the procreation of the species that we call "sexual union". God created THIS DIVINE UNION to be performed between ONE man and ONE woman specifically to maintain the balanced level of the species for each given planetary system. Now the "fallen" ones or adversaries of GODNESS have completely perverted and defamed this once "sacred" and "divine" act that at one time, WAS DONE with complete LOVE and DEVOTION TO THE FATHER within each partner, so that it (sex) is now called "a birthright" to be done often, with impunity and with MANY partners of either sex and without consideration of LOVE or responsible procreation.

"The act of marriage and procreation must have the highest degree of pure intent and preparation, for upon these bonds and restrictions will rest the preservation of mankind as a species upon the planet. If everything is done and adhered to, justice and peace will come to all mankind, and life in human form can be preserved.

The sexual "act" was specifically designed to be performed by ONE man and ONE woman who had committed THEIR DIVINE LOVE AS ONE in the union of marriage, ordained by GOD. Through this union of LOVE, the act of sexual intercourse between a husband and his wife for procreation was a most sacred and honored responsibility, an extension of their LOVE and COMMITMENT TO GOD in His service as PARENTS OF HIS Children .

The following BEHAVIORS are specifically and undeniably AGAINST OR CONTRARY TO THE LAWS OF GOD AND THE CREATION:

1. Any Homosexual sexual activity between two or more men is strictly forbidden.
2. Any Homosexual sexual activity between two or more women is strictly forbidden.
3. Any Bi-Sexual sexual activity between two or more men and women is strictly forbidden.

KEEP IN MIND THAT WE ARE HEREIN SPECIFICALLY REFERRING TO "SEXUAL" ACTIVITIES, NOT LOVE, INTIMACY (sharing soul-deep closeness and specialness of friendship), COHABITATION (sharing living quarters/house together), AND FRIENDSHIP between members of the same sex. Meaning that it is the LEWD,

LUSTFUL and IRRESPONSIBLE "SEXUAL ACT" THAT IS SPECIFICALLY AND STRICTLY AGAINST GOD and LIFE!

4. Any Anal (sodomy) sexual intercourse performed between any persons, male or female, is strictly forbidden.
5. All sexual activities performed with ANIMALS (Bestiality) by any human are strictly forbidden.
6. Any sexual activity performed by ones closely related within the same family line (Incest). Brother and sister, father and daughter, uncle and niece, aunt and nephew, cousin and cousin, mother and son, grandfather and granddaughter, etc. is strictly forbidden.
7. Any sexual activity by any adult (male or female) upon or with any child is strictly forbidden.
8. Prostitution -- the act of offering oneself, male or female, to another for sexual relations in exchange FOR PAYMENT of same -- is strictly forbidden.
9. Any **Sadistic** or **Masochistic** sexual practices performed by anyone or ones upon self or others is strictly forbidden. **Sadistic**: "1. A tendency to take delight in being cruel". **Masochistic**: "1. A condition in which sexual gratification depends largely on undergoing physical pain or humiliation. 2. A tendency to derive pleasure from one's own suffering".
10. Any **voyeuristic** (one who is sexually gratified by looking at sexual objects or acts) activity or any **participation** in pornographic materials (sexually explicit and obscene), that is, movies, magazines, books, "art work" and objects is strictly forbidden.

//////////

From the Law just mentioned, we must draw the following conclusions:

Procreation for the perpetuation of the Human species on the face of this Earth must rise to a higher level of Conscious and Responsible Control.

The obsessive preoccupation with forming mated couples and procreating children must give way to a primal high-priority focus on self-knowledge in a constant communion with the Creator-God within each one.

The understanding and practice of Sexuality must take a different, healthier path of Self-Uplifting for our Souls Evolution. We must turn inward to ourselves and the Divine Self within for a return to the primal function of Life/Sexual energy before any other sharing within a potential mated couple or partnership.

Knowledge and embodiment of the LAWS OF BALANCE alone will allow mankind to move forward in conscious choices aligned with the Ways of CREATION.

16

YOU MUST DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU. ALSO CALLED "THE GOLDEN RULE"

The Golden Rule. As it is true that if people could really think about how they treat each other, and consider that they are ALL ONE, most of our little "perceived" differences would dissolve. Let us ask ourselves how we, when we honor the spirit of God within us, would really like to be treated by others.

Most certainly with respect, deference, honor, merit, enthusiasm, with patience, tolerance and understanding, with indulgence, kindness and courtesy, with attention, appreciation, generosity, with interest in our conversation, with love, consideration, with honesty and integrity , with confidence, with friendship and harmony.

Now, are we treating others in the same ways described above, AS we would like to be treated? Do we treat ourselves in the same ways described above? If WE DON'T HONOR OURSELVES, how do we expect to receive HONOR and respect from OTHERS? Treat others honorably and with integrity, kindness and tolerance and expect them to treat you the same. If they don't, HONOR YOURSELF enough to recognize their transgression, bring it to their attention and then leave the scene of their presence.

There is a saying: "Be careful what you ask, YOU MIGHT JUST GET IT". This saying gives recognition to OUR power manifestation, and how, when we selfishly view life from the "altered" ego FOG, we may not truly understand what our SPIRIT within needs. We may be unpleasantly surprised at what the "altered" Ego conjures up for us as consequence of the denial of the FATHER'S WILL WITHIN US!

**EVIL (ADVERSARIES OF GOD) MUST ALWAYS
WEAR A SIGN OF THEIR EVILNESS.
(BY THEIR FRUITS YE SHALL KNOW THEM)**

One of the biggest "signs" of the evil ones is their **HYPOCRISY**:

- "1. The pretext (pretending) of having feelings or characteristics that one does not possess, particularly the deceitful presumption of virtue.
2. Someone who pretends to be pious and virtuous without really being so".

So we will find that hypocrisy does not belong to the Kingdom of GOD. The ones who declare their spiritual wealth, piety and richness, who declare themselves chosen simply because they belong to this or that religion or race are fools and hypocrites because what they outwardly say they are and believe in, and what they actually "secretly" think and do are most often quite different.

"BEWARE OF THOSE WHO FORBID YOU ACCESS TO WISDOM AND KNOWLEDGE AND TELL YOU TO NOT GO FORTH TO HEAR WHAT PERHAPS IS TRUTH, FOR THEY SPEAK TO YOU ONLY TO ATTAIN POWER OVER YOU AND SEIZE YOUR GOODS AND BELONGINGS. ALWAYS SEARCH BENEATH THE COVERINGS TO INSPECT THAT WHICH THEY DON'T TELL YOU AND, FURTHER, CHECK CAREFULLY THOSE THINGS THEY EXTRACT FROM YOU. TRUTH AND WISDOM IN TRUTH ARE GIVEN WITH NO PRICE OF TREASURE NOR POWER OF FORCE.

Those who faithfully believed in the "Holy" Bible to be written in purity of God will, by now, undoubtedly be, at the very least, curious about "how" and "why" this sabotage of THE TRUTH has been allowed to occur.

Thus it is said: it occurred that even at the time when the one known as "Moses" lived, that the religious/empire leaders became most jubilant when they have been presented with the Commandments given by GOD. The reason: because THEY became the self-appointed CREATORS and ENFORCERS of THEIR interpretations of GOD's Laws. They discovered that by the careful manipulation and interpretation of these "laws" (such as removing all references to "reincarnation" from the scriptures) they then could maintain a much more effective level of control and discipline OVER the people they ruled. In other words, THEY would stand between GOD the Father WITHIN and the people, which left them (the people) powerless and at the mercy of these cunning and deceitful "leaders".

In addition to the signs to look for in the words and deeds of others, we must first also recognize the "signs" of the Anti-Christ within us.

Let us remember that we who are "believers and faithful", with our sincere commitment to the development and trust of our HOLY SPIRIT WITHIN, will be given the knowledge of Truth and the Spiritual Wisdom of God and The Creation in order to always sustain us in balance and service TO THE ONENESS OF ALL.

18

YOU MUST NOT COMMIT THE ACT OF SLAVERY UPON ANY HUMAN BEING OF GOD

This means that we must not DEMAND by force and fear to control, confine, use, or manipulate another human being to do any service or work, against her/his will, and without giving her/him FAIR compensation. It also means that we cannot BUY or SELL another human being as if he/she were a product WE own. This includes OUR CHILDREN. Babies and children are not "products" to be created, such as by "in vitro" fertilization, or given to be birthed by a "surrogate" mother. If a couple cannot physically procreate, then they have a choice: they can ADOPT a homeless or unwanted child, or they can choose not to be parents at all. ADOPTION of another's unwanted or parentless child is one of the MOST LOVING and UNSELFISH acts any competent and caring couple could do in service to GOD. Not all couples are or were meant to procreate! It is not a punishment from God. It is the responsibility of any "barren" loving couple to recognize that procreation is not their function at this time. But if they desire children, then they must understand what an HONOR it is to accept the nurturing care of one of GOD's children who has no one else to love her/him!

One of the most painful and degrading terms we humans have labeled and label those children born "out of wedlock" is "bastard" (which means illegitimate according to HUMAN LAW). WE must now KNOW that in the Kingdom of GOD THERE IS NO BASTARDS. These children "born out of wedlock" are as precious to God as any other child born with "married" parents.

In reality, the evil "powers that be" are CREATING and ENCOURAGING prejudice of others who are "different" than they are in culture and skin color so that they can CONTROL the perceived "lesser" ones. Throughout the world through our media and government policies, the seed of racial unrest, dissension and prejudice is specifically planted, nurtured and allowed to bear the bitter fruit of hatred and resentment and is thus perpetually perpetuated so that WE the people DO NOT BECOME UNITED! By keeping us separate, by creating suppression of various groups for us, THEY keep us at war with one another while THEY carry out THEIR plans for TOTAL domination over ALL of us.

Therefore, is it against THE LAWS OF GOD that a man and a woman of different races or colors can marry and bear children? OF COURSE NOT! THE GENETIC CORRUPTION OF OUR HUMAN SPECIES OCCURS SPECIFICALLY DUE TO THE DISEASE WITHIN THE SPIRITUALLY WEAK AND THE CORRUPTED BEINGS WHO PRO-CREATE, NOT DUE TO THEIR COLOR! Each SOUL is a fragment of God. Whatever race or body color that the soul chooses to incarnate in makes NO difference in the eyes of GOD. Human Alone falsely chooses to create and delineate "features" or "traits" of racial superiority/inferiority.

Understanding The NATURE of Our Personal RESPONSIBILITY

Now we will discuss the personal responsibility each Human has toward harmonizing with and maintaining The Laws of Balance given forth above. Since we have been gifted with Free-will and reasoning intelligence by Our Creator, then so it is true that balance is a CHOICE made by each Human, NOT the same as an "instinct" of maintenance and balance given by Creation to our animal and bird kingdoms.

Did God therefore make us Lord over this His Creation? Yes, but not to improve this perfection, dominate, eliminate, and destroy. He gave us a physical kingdom to experience the wondrous and beautiful varieties of life. This is a place given for us to attain **spiritual perfection** by learning and wisely following The Laws given forth by God and Creation. Also, this is a place of learning through THE DIVINE SPIRIT WITHIN US HOW TO HARMONIZE with all of Creation which we choose to experience in, including beloved Mother Terra-Urantia. Unfortunately, with our free-will reasoning minds we selfishly thought that to "modernize" and "improve" upon this wondrous creation, we would make this a better place FOR US to live upon, with total disregard to the rest of the Terra, the mineral, plant and animal kingdoms.

As example, many of our "native" cultures who are known as the "ancients" or "Indians" who have existed throughout our world, throughout our planetary "cycle" are honored by our Elders of The Brotherhood of Light. These ones understood, because of the "richness" of their spiritual growth, that they were a part of this world, but not OF this world. They honored and blessed the Mother who gave them beauty, food and shelter. They honored and blessed the animals which gave them food and clothing. And they honored and blessed THE FATHER, THE SPIRIT OF LIFE, which gave them their life experience. They knew that they OWNED nothing, but that of the SPIRIT OF GOD WITHIN them. THEY lived in harmony and balance as a part of the whole, NOT the dominant part, but complimentary to. This was their CHOICE by wisely following the Laws of Nature given of GOD and CREATION.

And so then came the ones who arrogantly felt superior to ALL because they were "civilized". Civilization defined: "1. A state of human society characterized by a high level of intellectual, social and cultural development". What about the development of true "spiritual" wisdom and perfection? Well, of course the intellectual ones judged the importance of having a carefully prepared set of "religious" (not necessarily "spiritual") doctrines to guarantee for THEMSELVES the necessary degree of control, power and dominance OVER their brethren in their created "civilized" kingdom. The "native" ones were despised, called "primitive" and so were either forced to become "civilized" or be destroyed. Many of the ones who refused to surrender to the WHORE

of The Anti-Christ were simply destroyed. The ones who survived were sorry to live in the spiritual poverty of "modern" civilization.

So with the communion of THE SPIRIT OF LIFE WITHIN each of us, we must **first** wisely understand and follow the Laws of Balance AND **secondly**, we must wisely know where OUR responsibility begins and ends within THE CREATION upon this wondrous orb.

We must understand, for instance, that God gave us the animals for food and clothing if we so choose and need them. He gave us the wondrous vegetables and herbs and plants for food, medicine, and wonderful "taste" for our survival and enjoyment. Do we give **THANKS and HONOR and APPRECIATION EVERY DAY** to the animal, the plant, the vegetable and GOD for sustaining us physically and spiritually? Do we give **THANKS, HONOR and APPRECIATION EVERY DAY** to this wondrous planet, Mother Earth, for bringing us the gifts of beauty and survival she has so abundantly supplied?

Let us discuss the care and tending responsibilities of humans to their domestic "PETS". When we have a pet animal such as a cat or dog, this cat or dog is dependent upon us for his love, his care, and his food. A cat or dog or any animal for that matter, has the group spirit of his species from THE CREATION within him. He possesses the "instinctual nature" of his particular species. The animal, contrary to what many of us would like to believe, does NOT possess FREE-WILL and the same degree of reasoning ability of human beyond his instinctual behavior. Animals are extremely responsive to LOVE as are all creatures within THE CREATION. They make wonderful friends and companions, and bring lightness, fun and humor to the human.

Because of the domestication of these pets, there has been created an interruption of the natural balance mechanism for these animals. They have over pro-created. Many irresponsible "owners" of these animals have allowed this to occur and have not always wanted to care for the offspring. Many are left to die, spread disease, go wild, or to ultimately end up within one of our "humane societies". Fortunately the ones responsible for creating such "humane" societies understood the need to take care of THIS EXPLODING population of unwanted animals, especially dogs and cats. It is an orphanage for lost, stray or unwanted animals, and is most sad indeed, because although the animals are offered for a nominal charge to humans who might "adopt" them, most are not adopted and therefore are destroyed, usually by euthanasia. It is truly heartbreaking, but surprisingly enough, many of the ones who choose to work for "humane" societies do so because of their LOVE of animals. Also, most of these "humane" animal adoption homes require all cats and dogs to be sterilized as part of the adoption policy. Wouldn't you say then, that it is logical, that sterilizing these

pets is much more humane and responsible than allowing the continued over pro-creation to occur?

So we must now think and reason how can we maintain our life in Harmony and Balance with the rest of this CREATION?

We begin with the pure desire to KNOW Truth. In order to come into knowing, we must recognize that our conscious "altered" ego is limited in its perception of Truth and that GOD KNOWS the best way and the path for us in His service. So we must then surrender our WILL to that which is GOD's Will. In our daily prayer we must ask GOD for the LOVING LIGHT of protection, guidance, power, wisdom, knowledge, Truth, integrity and courage in order to best serve HIS will and not OUR will. Then we must WAIT upon the Father to give us that which we need to sustain in HIS service. Our will and HIS will must become ONE again.

Those who SEE the Truth and find their cup is full of the knowledge and wisdom given of THE FATHER, now also have the RESPONSIBILITY to pass the cup on to their brethren who will accept it. We will find that for us to move on in our service, the cup must be passed. We, therefore, cannot hold it unto ourselves, for it is full and must be emptied to again become full. We cannot sprinkle it haphazardly on all who come in our presence; it must be passed and must be accepted by the choice of EACH one. It is not our responsibility to try to give the cup where it is not accepted. We pass it, and ones will refuse and ones will accept, but it is not our concern who does and who doesn't accept. Our responsibility is to pass the cup to those who accept and release the outcome TO GOD who exists within each. So too, those who accept the cup of knowledge and wisdom and drink of the Truth will be nurtured and filled with the JOY of Truth and then they will pass their cup as well. All will be given opportunities to take the cup, if not from us then from another. It is ours to offer it to them and WAIT UPON THE LORD. Our cup will again be filled and we will again pass it on, and in this way will we SERVE THE FATHER WHO IS WITHIN ALL.

How To Recognize The ANTI-CHRIST (That Which Is Against GOD) Within

Monitor your thoughts, words, deeds and actions for the following clues:

INFERIORITY OR SUPERIORITY THOUGHTS AND FEELINGS:

Feelings of inferiority or superiority over others will most often manifest as a two-edged sword, meaning both feelings may exist simultaneously. For example: One who feels inferior, perhaps in his performance of some action or deed, may feel inferior because he has failed to be superior in his own eyes. Somewhere within his ALTERED EGO exists the Anti-Christ setting for him levels of performance perhaps beyond his current capabilities. He then will fight for the rightful superiority he is given to believe he has over others and thus continues to set himself up for failure in his own eyes. This is where the term "Competition" defined as: Striving against another or others for some object, has been distorted in society in such a way where one's personal worth as a human being is measured against his performance against others rather than perfecting his "personal best", which is striving in personal ability beyond self-imposed limits.

And so it goes that one who is chided by the Anti-Christ within to feel superior to others will draw from his feelings of not wanting to be inferior, which often times translates to him as rejection of his beingness and unworthiness. This is where fear enters the picture and brings us to our next point.

THE ANTI-CHRIST ROBS YOU OF THE "NOW" OR PRESENT MOMENT

It is very simple how this is done. The Anti-Christ keeps our altered ego in PAST-GUILT ORIENTATION or FUTURE-FEAR ORIENTATION. This is how our reality manifestation abilities are controlled.

As we wallow around in our past, re-living experiences with regret and self-pity, we cannot work in the present moment to change or create more desirable circumstances. This is why many of us may have heard the great wisdom of FORGIVENESS and RELEASE of all past emotional and physical thoughts, words and deeds. One must forgive self and all others. This does not mean that we don't garner the wisdom of knowledge in Truth from the lessons of the experience, because that is why we created the experience in the first place -- to grow in our awareness of THE TRUTH. The same rule about past-orientation is true for those who SPEND COUNTLESS

hours in re-living pleasant past memories at the expense of living in and creating the "now".

Now, Future-Fear orientation is a big stumbling block for most all of humanity. Fear, in itself is a great separator of the human creature from his Creator. Fear is the biggest tool of the Anti-Christ within. Since the Highest Command of The Creation is to **"Achieve the wisdom of knowledge inasmuch as this will enable you to wisely follow all the laws of The Creation"**, then it stands to reason that recognizing the Truth in all things, including our IMMORTAL connection with God, will vanquish from our being any fear of some future experience, since we as an immortal-soul God Fragment ARE the MASTER of our destiny. Fear by all accounts paralyzes the senses and only can manifest within the being if he sees himself as separate from his creator rather than a fragment of the ONE. It is this ILLUSION of being separate from the ONE that has trapped humans within the false bondage of fear. If one recognizes the Truth and is willing to see the manifested illusion as it really is, one will see the natural balance and inner peace that is achieved by TRUSTING the Father within, and wisely following the Laws of Balance given by God and The Creation.

This now brings us to the point of remembering and understanding THE LAW OF ONE. All beings and creations are equal in the reflection of God, only each is different in abilities, talents and beingness as an expression of the ONE. In actuality, there cannot exist any separation, all come from the ONE great source of all, THE CREATION and all will return to our source, THE ONE. Humans exist as individual fragments of the whole, a fragment of and seeded with all unlimited potential of God-awareness and wisdom. When we LOVE the essence of Spirit within all, there is no longer any illusion of separation. We are simply honoring GOD within ourselves and all others. We no longer are separated by our fears and unworthiness. We are God's expressions of LIFE, we ARE THE SPIRIT OF LIFE ITSELF.

THE ANTI-CHRIST TELLS YOU, "IT'S NOT YOUR FAULT"

For example, he tells us it is not our fault that our husband is an alcoholic and beats us, or that our parents abandoned us, or that we were fired from our job, or that our government leaders are corrupt, or that we have gone to war and on and on and on.

What the Anti-Christ within is actually telling US is that we are not responsible for the experiences in our manifested reality. This false belief causes us to cast BLAME on another or others and not take personal responsibility for creating the manifested experience through the influence of the Anti-Christ within us.

Ones will often times argue with this truth and say, "Well, I cannot control the free-will of another who chooses to be angry with me, or steal from me, how can I be

responsible for the behavior or actions of another?" It is true WE are not responsible for the free-will behavior of another, BUT we ARE responsible for "buying into" THEIR games and making ourselves a VICTIM to it. WE choose how we will RESPOND in ALL circumstances. Remember THE LAW OF ONE? The Anti-Christ within THEM is the same Anti-Christ that WE choose to allow to exist within us. The Anti-Christ is looking for a place to reflect itself, and WE choose whether or not we will reflect back the Anti-Christ or whether we will recognize the trap and instead reflect back the Divine Love of the Father Within which therefore leaves the Anti-Christ nowhere to roost within OUR temple of GOD.

Here is a portion of a most wondrous prayer by Aton which is helpful to remember in our daily communion with God and in times when we feel we could be lured into the Anti-Christ drama of another. "Father, let me always allow YOUR will to manifest through me that I stand in judgment of no man and yet wisely judge that which is given in action against YOUR HOLY PRESENCE".

Whether we are aware of it or not, we are unconsciously manifesting ALL within our scope of reality mostly with our "altered" ego. The beautiful thing about this truth is that when it is realized, one can become a conscious creator of a truly balanced manifested experience by surrendering his altered ego to the Loving Divine God within him and so thereby balancing all of his creation within the Laws of God and The Creation.

THE ANTI-CHRIST ENCOURAGES SELF PUNISHMENT

Of course, we know by now self-punishment is encouraged for "past" sins (errors), which is really our altered ego unworthiness (inferiority/superiority) which we discussed earlier, expressing itself in the following ways: Criticism of self and others, greed, lust, jealousy, envy, guilt, shame, self-doubt, depression, helplessness, anger, hatred, resentment, impatience which leads to frustration, illnesses and diseases which lead to the death wish of the body. Self-punishment is the *effect of the cause* of believing the lies of the Anti-Christ. This may continue, life-time after life-time, the poor immortal soul becomes self-locked onto the wheel of reincarnations and seeks to punish himself for his perceived sins of the past in hopes of redeeming himself to his Creator God. If he just understood the power and importance of forgiveness and release of his "past" and adhering to the laws set forth by God and The Creation, he would be free of his bondage in an instant.

God created "Cause and Effect" so that each soul could grow in her/his awareness and become empowered with the true responsibility he has of his thoughts, words, deeds

and actions. In other words, so that he could recognize his power and the importance of responsible God-Balanced manifestation.

THE ANTI-CHRIST ENCOURAGES ONE TO BREAK THE LAWS OF GOD AND THE CREATION GIVEN FORTH FOR BALANCE

Let's take the law of God which says, "THOU SHALT NOT KILL". This means in our THOUGHTS as well as our deeds we shall not wish death upon another human being of God. This rule does not mean we cannot defend self if our life is threatened, because that is suicide and also against the Laws of God.

This also means that by becoming pregnant, which is being the vehicle of one of God's new creations, and having an abortion because of OUR irresponsible sexual behavior, it is still MURDER any way we look at it. Remember "personal responsibility"!

THE ANTI-CHRIST RULES YOU BY YOUR DESIRES

Our desires for those things and "possessions" of the material world include not only physical manifested "things" of the material world, such as a television, house, car and money, but also emotional desires such as sexual conquest, marriage, children, friendship, acceptance, recognition and worship. The Anti-Christ within will keep us always seeking outside ourselves for the false promise of fulfillment with more, bigger and better "things". And as the poor soul readily jumps on the treadmill of unfulfilling work to make the money she/he now needs to fulfill her/his desires, she/he pines away for something more, something just beyond her/his reach -- if only she/he had more, money, a more prestigious job position, a bigger home, a newer car, more vacations -- more, bigger, better. The false promise is never enough and it will not fulfill the cry of the soul to recognize and connect with the immortal spark of his Creator within. So the Anti-Christ will tell us to forget our problems, have some fun, relax, have a few drinks, take some drugs, we deserve it and can afford it now....and before long the dear God Fragment is shrouded in the darkness of addiction and misery.

So does this mean it is wrong to have things of the material world which we manifested? Not at all; God is abundance in all Kingdoms, but the catch is we cannot become attached to things of the material world and to our emotional desires. We are borrowing this wondrous physical body and all of the "things" of the manifested world will NOT go with us when we leave our body in whatever sort of transition we earn. It is ONLY OUR IMMORTAL SOUL THAT IS REAL IN THIS JOURNEY TO

ONENESS WITHIN. All else is manifested illusion. However lovely and precious it is, it remains as the props and the backdrops for the players remaining. This is just ONE drama of billions fed by the Breath of Life from God and The Creation. And then again, it is really just ONE drama and we are but co-creators in the play of life unfolding.

So the key to releasing ourselves from bondage to the material plane is to become DETACHED from it, which is to disconnect from our attachments to "things" and emotional attachments as well. To become detached emotionally one must forgive and release all perceived transgressions upon self and others. This is not to say we have no care or compassion or Love -- we absolutely DO and MUST have unconditional love of all beings and creations of GOD, but we must detach from all manifested illusions and emotions which weigh us down in vibration much like wet wool garments on our body.

Now there is one more point to ponder because many of us will and do ask.

**"WHAT DIFFERENCE DOES IT MAKE TO THE REST
OF THE WORLD IF I CAST OUT THE ANTI-CHRIST WITHIN
ME AND THE REST OF HUMANITY REFUSES TO DO SO?"**

It DOES MAKE A DIFFERENCE! Because again, remember THE LAW OF ONE? Humanity and the creations of God are all related as a part of the ONE. Our manifested world is a DIRECT reflection of what exists within each of us. Each one is a part of the pool of mass consciousness, which means each one is responsible for our portion of the whole. A comparison can be made between the pollution which exists in the air, water and ground of this wondrous planet and the pollution of the Anti-Christ which EACH of us support within ourselves. So for each one of us who recognizes and casts out the Anti-Christ within, we are essentially healing a portion of the disease of mass consciousness. WE make a BIG difference by committing our will to the knowledge and wisdom of TRUTH in God's Kingdom. WE become a part of the solution for healing the cesspool of darkness in mass consciousness, rather than remaining as a part of the problem. We will then carry the Light of Truth and Wisdom of our Father within us and others are attracted to it, because it is the joy of the Spirit of LIFE itself and WE become the vehicle for offering it to them.

MAY OUR CANDLE OF LOVE, TRUTH AND LIGHT DELIVER THE DIVINE SPARK OF UNDERSTANDING TO ALL WHO AWAIT THEIR CALL FROM HOLY GOD OF THE LIGHT AND OF THE CREATION!

Recognizing And Defining The Most "DEADLY" SINS of HU-MAN

First, a careful clarification of use of terms to represent God/Aton in this paper. It's often spoken of "Father within" or refer to Aton as a "HE" signaling "male" gender. This way to term our Creator in our language is NOT meant as a sexual GENDER as we recognize same. Our Creator God/Aton represents BOTH male/female "principles". There is no "sexual" gender differential. The SPIRIT of LIFE is what we may understand, in limited language, male/female energy representation. AS ARE ALL OF US ! Each of us have chosen a body, male or female, for our experience, only BOTH energies are represented within each of us. ALL fragments of CREATOR/CREATION are equal in reflection regardless of what "color" or "gender" of physical form is taken. Let's refer to GOD/ATON/CREATION as Mother/Father/Creator/Creation or else and so will it be.

Now, let's bring "light" and understanding unto that question ALL of us have struggled with, and that is, "What is Evil?" But before we can have understanding of "What is Evil", we must understand "What is God?" Since The Laws of God and Creation given forth have described God as the "ruler" of the human races and the "King of Wisdom", then this, in itself, implies that God is a GREAT BEING of spiritual wisdom and perfection within THE CREATION. But to confine what God IS to limits of 3rd dimensional human language and perception alone is a mistake. Because of the "limited" boundaries of our plane, we have not yet developed the capability of defining a "limitless" being or "state of being".

Since our God Creator has "created" us, what this means is that He has "fragmented" Himself, as The Creation fragmented itself in the Creation of God, in order to expand and experience more of THE TOTALITY OF THE ONE. This is why God's Laws, the Laws of Nature, the Laws of Balance and the Laws of The Creation all exist as the same UNIVERSAL Laws of Cohesive Harmony and ONENESS. Universal Laws are the COSMIC CODES of unlimited creative unfoldment which allows the greatest degree of EXPANSION AND OF EXPRESSION OF THE TOTALITY OF ALL THAT IS. Each fragment exists as a part of CREATOR God and thus as a part of THE CREATION as well. The Cosmic Codes or "laws" are the keys of LOGIC which maintain the balanced coalescence of CREATIVE unfolding EXPANSION OF THE ONE ALL THAT IS. So, by learning to recognize that which "limits" our expanding creative potential, we will identify that which keeps us "bound" to our "illusion" of separation from THE ONE. And by gaining the wisdom of KNOWLEDGE of what is Evil, Sin, and Adversary to God and Creation, we will then be able to wisely move our awareness to what is our personal responsibility in the Co-creation of the LOVE OF LIFE which is the JOY OF WHOLENESS AND ONENESS OF THE LIMITLESS CREATION.

So now, "What is Evil?" Evil, also called "satan" or "adversary", is all thought and the energy it creates which is allowed or is chosen (through Free-Will) to exist, which "confines" and "limits" the expansion and expression of creative unfoldment of the totality of ONENESS. It is that which "swims" against the flow of Cosmic Creation in order to FEEL itself in separation and thus it exists only within boundaries or limits of THE WHOLE. It is self-consuming in that it seeks to dominate the WHOLE and because it can only dominate within ITS own self-imposed boundaries, it finally is consumed ITSELF by the rushing waters of the expanding ONE.

Now many ones in their exuberance of "finally" grasping the concept that ALL IS ONE, will oftentimes believe that they must now be ALL-allowing since all are choosing experience as part of The One. Ones will say things such as, "There is no "good" and "bad", all is just experience; it just is. Therefore, how can I judge something such as a behavior or action to be "bad" or "good" for another when it is not my experience or "right to judge another". What is said to this is: WE CAN "ALLOW" OURSELVES INTO PERPETUITY, BUT IF WE DO NOT RECOGNIZE THOSE THOUGHTS, WORDS AND DEEDS WHICH ARE CONTRARY TO LIFE AND GODNESS, HOW DO WE THINK WE WILL REACH HIS UNLIMITED KINGDOM OF CONSCIOUS IMMORTALITY?

Does this mean that by recognizing the Anti-Christ or adversaries, that we must make OUR SELF the enforcer of God's Laws? NOT AT ALL. God needs NO enforcers, HE needs only examples be set forth so that ones can see a "brighter", balanced and "more loving" way of BEING. Each must begin that journey within self, and as each ignites his flame of TRUTH and Godly understanding, so, too, will he CHOOSE to change his thinking, behavior and actions in order to BE IN BALANCE WITH GOD IN ONENESS. This does not mean that we will "allow" others to maliciously cause us harm. We must always honor self and God and defend our self, if necessary, to protect self from abuse or damage by another. We do not have to choose VICTIMHOOD, ever, and must NOT tolerate or "allow" behavior directed AGAINST us or our brethren which we KNOW is contrary to the Laws of GOD and Creation!

This is what our gift of FREE-will is. It is through our experiences of learning what GOD is NOT that we will, therefore, KNOW what GOD IS. Many ones will say smugly, "But God created EVERYTHING including evil, so it just IS a part of our experience". REMEMBER THIS CAREFULLY: GOD/ATON created Human in his IMAGE OF PERFECTION; He gave us FREE-WILL and with OUR FREE-WILL WE HAVE CHOSEN TO BE THE ADVERSARY AND BREAK EVERY LAW OF BALANCE, so don't any of us ever think we can shirk our personal responsibility because we believe God created evil.

MAN CREATED EVIL WITH HIS OWN FREE-WILL! AND WITH THE DIVINE MERCY OF HIS CREATOR, ATON, HE WILL FIND HIS WAY BACK TO GODLY BALANCE OR HE WILL CONTINUE TO REMAIN BOUND IN HIS DARK CAGE OF SELF-SERVICE AND SEPARATION FROM THE CREATIVE SPIRIT OF LIFE!

OUR free-will is really OUR choice to make our will GOD'S WILL, OR to live according to the will of our "altered" ego which seeks always to "limit" our spiritual understanding and, therefore, to disrupt and destroy OUR creative potential, harmony and balance of ONENESS. Ultimately we will recognize that the ONLY free-will we have is that which is GOD'S Will, because we will have gained the wisdom of knowing that the logical balance of GOD'S WAY is really THE ONLY WAY to the JOY of TRULY balanced spiritual freedom.

Now, let's define and discuss what are the "deadliest" sins, or errors, made in our experience which keep us "swimming" upstream against the flow of the balance of the COSMIC CREATIVE UNFOLDMENT. These "sins" are the tools of "satan" or the "adversary" to keep us bound in our "illusion" of separation from God and The Creation. Furthermore, we are kept under this dominance, through the ignorance of false "belief" and "superstition", of a "false" power which keeps us locked within the spiritual starvation of "limited" manifested reality.

PRIDE

PRIDE as defined in the dictionary: "1. An undue sense of one's own superiority; arrogance; conceit. 2. A proper sense of personal dignity and worth. 3. That of which one is justly proud".

As we see by these definitions there seems to be two diametrically opposed "types" of pride. The one which is the focus as "sin" or "error" to the Spirit Within is what is also termed as "False" pride. False pride in itself refers to feelings of haughty superiority and "rightness" versus the feeling of self-respect and honor for achieving an understanding or act which one has diligently and honestly "worked" for.

In the PHOENIX JOURNAL #9 entitled SATAN'S DRUMMERS by Esu Sananda, he is discussing at great length what is "evil". The one who is possessed of "evil" or that which is Anti-God, is most self-willful.

We quote, "Healthy individuals submit themselves to the demands of their own conscience. Not so the evil ones, for in the conflict between their guilt and their will, it is the guilt that must go and the will that must win. Evil people are extraordinarily willful, determined to always have their own way and they have a most remarkable power in the manner in which they attempt to control

others....and yet, a characteristic of all "great" people is that they are extremely strong-willed -- whether their greatness be for good or for evil. I, Esu (Jesus), was unbending and strong-willed, but mine willfulness was that of our Father's. It becomes evident, doesn't it that the one whose will is of his own is threatened greatly by GOODNESS? It therefore leads to the need of (evil) destruction of the goodness or that one which represents such. Thus MURDER is born. It is better, of course, if the evil one can cause the one of goodness to acquiesce in total submission and give through total abandonment of goodness into the hands of evil".

(End Quote).

So if one is "proud", defined as: "1. Actuated by; possessing, or manifesting "pride"; arrogant; also self-respecting. 2. Sense of honor and personal elation; generally followed by a verb in the infinitive", he is either fooling himself by "false" feelings of superiority over another or others, or is simply being "self" respecting by validating a worthy achievement of his own or of another. Since one can also be "proud" of another's achievement or action, this "pride" in another many times is simply the judgment that the action accomplished by the other is one which THEY themselves would be proud to accomplish as well. It is supporting one's OWN conviction of Truth, whether it truly be Truth or not.

For example, many parents believe that when their children are sent off to WAR ostensibly for protecting and defending "their country", that even though war involves the murder of others, they (the parents) must feel "proud" of their sons for doing "their" duty for their country. Now are they truly proud or are they simply hiding behind their own "false" pride because they are terrified that their child may die, and if that were to happen "for no good honorable reason" they could not forgive themselves for being "wrong" and supporting their sons in the lie of War? At some level the "false" prideful one KNOWS he is wrong but is afraid to face the perceived consequences of being discovered as mistaken, uninformed or ignorant. He would rather hide behind the superiority feelings of "false" pride than live with the consequences of believing and supporting a "lie" which could cause the "death" or "dishonor" of his child and make him "wrong" in his belief as well.

When ones are continually molded as to what "popular" opinion must be, though not based on the facts, they become powerless puppets of evil. They no longer are able to "reason" for themselves because they have become apathetic and lazy and would prefer to "believe" all they are told from those they perceive are "in the know". Thinking for themselves is an effort they choose not to take precious time from their television sports and soap operas to accomplish. They watch their TV and take every opinion at face value by the human images presented to them who continually form and reinforce

what "their" opinions must be. They adopt these "opinions" as their own, and will fight "tooth and nail" any who oppose "their" view. This control of their minds is known at deep soul level, and the soul is in agony from this deception. "False" pride can only be released when one is pried from his TRANCE of "believing" and seeks to KNOW the Truth and no longer fears, because he feels helpless and powerless, the consequences of his personal responsibility, which KNOWING Truth acknowledges and accepts.

If we wisely learn and understand the logic behind the "Cosmic" Laws of Balance given of God and The Creation, we will unwrap these "false" illusions and claim our true "God" power and connection. So too will each one learn to reason out the Truth within him and as we ask for the Truth and Wisdom of God and Creation to be given us in all circumstances set before us, so shall we receive and claim the proof and the understanding as TRUE KNOWLEDGE within us, and not as BELIEF in what is the "opinion" of another.

AVARICE

Avarice is basically another term for GREED, defined as: "Selfish and grasping desire for possession especially of wealth; avarice; covetousness". Now one who is GREEDY or filled with AVARICE is then possessed with feelings of EXCESSIVE eagerness for acquisition or gain of some form of material object or wealth. He, therefore, is selfishly and excessively covetous and desirous of GAINING something, not because he needs it, but because he must have it to BE worthy, or be a winner, OR ACHIEVE "superior" status in his "image" of what is worthy, what is a "winner" and what is "superior" status. It is the selfish covetousness of desiring MORE than one really needs of some material object, and in this time upon our placement, it is usually MORE money. One who is, therefore, possessed by his excessive greed will have many unfulfilled physical desires and will thus wish to fulfill them at whatever "cost" (physically or emotionally) to another or even self the acquiring of same, may be.

The seeds of greed are usually planted by at first the overwhelming feelings of "self-failure" for not "measuring up" to the "images" of success and winning which are constantly promoted within our various forms of MEDIA. It then becomes a feeling of "deserving" something without having done anything, or putting in the least amount of effort personally to earn or create same. It is this desire created by our Media programming that one can receive "something for nothing" through what is called "good luck" which again implies that it is random LUCK and NOT personal power and responsibility which allows us to create that which we need. It also often means ones refuse to take personal responsibility for creating their own perceived "lack" or "loss" of material goods. It is in this time frame of our history which greed is blatantly and expressly created, encouraged and nurtured primarily by those within our Justice

system. Many ones who have become frustrated at perceiving themselves as the "have-nots" of society and who have also become the "victims" of their own lack of self-worth, are the easy prey of the attorneys who promote greed and no self-responsibility. It is no accident that our "Western" society has become the most litigious, meaning: "Inclined to engage in a lawsuit against another because of real or perceived damages to self", in our entire world. Our system of true justice is nearly gone, and those who nearly always benefit in every case are the attorneys from ALL sides of a lawsuit. It is through this now created system of INJUSTICE that lying, cheating and stealing from others is par for the course and expected behavior for ones who wish to "win" EVEN if it involves the total financial and physical ruin of the one/ones being sued.

It is this idea that ones adopt, that they must be perceived as a WINNER in the "eyes" of society, and they are encouraged to do so by WHATEVER MEANS at their disposal with total disregard for honesty, integrity and personal responsibility. Winning is the GOAL, and it is defined in a way through "competitive" molding that one must always strive to WIN at all costs because the only other choice is being a LOSER which is now defined as really being a WORTHLESS human being!

In God's Kingdom, there exist ONLY WINNERS as each contains a fragment of the DIVINE PERFECTION OF GOD CREATOR/CREATION. Remember, we are not in competition with ANY other fragment, for each has unique and individual abilities and talents given of OUR FATHER. None is more or less in reflection of importance unto GOD/ATON. Each has unique creative potential for expanding the awareness and beauty of the constant unfoldment of GOD AND THE CREATION. We must recognize that when we feel "competitive" against another, that which is behind the illusion of "competition" is that we fear being unworthy in COMPARISON to the abilities of another. How can we COMPARE one expression of GOD with another? ALL expressions add to the unfolding discovery of THE ONE DIVINE SELF!

GLUTTONY

We will first define Gluttony by defining what is a Glutton: "One who eats to excess. 2. One who has a great excessive appetite or capacity for something".

The key to understanding what is Gluttony is that it is the act of having EXCESSIVE, beyond reasonable need, appetite or desire for anything of the physical state of being. It could be food or one could be what is termed a glutton for "punishment" by self or another. One could be a glutton for sex, for war or for power over others meaning he is hoarding unto himself, by expanding his capacity, a "perceived" physical pleasure

because he feels UNWORTHY and, therefore, HE FEARS there will not be "enough" of whatever is the object of his excessive appetite.

Gluttony is a form of self-punishment because ANY excessive "intake", such as of food, sex, or power, often proves to be the very thing which leads to the destruction of the Glutton. It is this EXCESS, beyond reasonable need, which is not assimilated within the being, but is actually STORED, which then produces the EFFECT (remember the law of "Cause and Effect?") of actually devouring and destroying its HOST. It is this HOARDING of ENERGY beyond the ability to ASSIMILATE and INTEGRATE it within his being, which the glutton has "trapped" and which, as is the nature of ALL energy, will seek to free itself from its "static" state in order to MOVE and remain ALIVE, even if it means the destruction of its HOST.

This excessive trapped energy becomes much as a "parasite" upon the glutton. The INTEGRITY of the energy deteriorates if it is accumulated, stored and kept STAGNANT OR STATIC for an inordinate period of time. Just as it is the nature of stored FOOD or ENERGY, such as FUEL, to deteriorate, if it is not somehow preserved. And even though the life of the food or fuel energy is extended by our various preservation processes, the quality or integrity, because of the stagnation or dormancy state of the food or fuel, is still usually lessened.

If we KNOW GOD/ATON our Father will provide ALL that we ever need to sustain in HIS service, why would we need to excessively HOARD any energy WITHIN US which is a part of the SPIRIT OF LIFE? The correct answer is that we do not need to over-consume the needs of our spirit or being to sustain us, IF THE FATHER WITHIN is acknowledged and accepted as OUR TRUE UNLIMITED POWER. We must KNOW within our very being that we will ALWAYS have what we need to sustain in HIS service!

Now let's please make this clear to ones who may be now in a panic wondering if their "body", which they "perceive" carries more weight upon it than they would desire, is the result of gluttony. First of all, many of us under-estimate what is OUR IDEAL weight. The image constantly fed to us of "thin, thin, thin is in" has caused many of us much unnecessary pre-occupation with this desire for a "thinner" us. This is VANITY which will be discussed later. Each ONE of us is gifted with a different skeletal frame for our body. If we are small-boned and petite in stature, then naturally we will need to carry less weight than one who is large-boned and petite in stature. When not tampered with, most of us were born with excellent natural functioning metabolic-mechanisms for maintaining an "Ideal" weight FOR US. Many of us simply eat MUCH more than our body needs to sustain in healthy harmony. Gluttony, then is EXCESSIVE appetite and desire for the hoarding of MUCH more OF ANYTHING which is a form of energy, than what one can properly assimilate in his experience.

WE must learn to recognize whether our transgression against self is because of vanity or gluttony, BOTH or NEITHER.

For example, when one is a "glutton for punishment", this means he hoards upon himself, because of lack of SELF-honor and SELF-worth, continuous, excessive and consecutive experiences which cause him undue stress and unhappiness. He becomes a "glutton" of the excessive repeat of his own self-created experience of VICTIMHOOD.

These "sins" herein defined are really the "symptoms" of the ANTI-Christ cancer within us, devouring, confining and limiting our creative SPIRIT OF LIFE. Our spirit is fighting the absolute AGONY of our self-created CHAINS of creative limitation. We must NOW recognize these symptoms and ASK THE FATHER WITHIN US to give us HIS POWER, HIS WISDOM, AND HIS LOVE to help us cast off these chains of LIMITATION upon our creative spiritual unfoldment!

LUST

Lo and behold, precious ones, it has been this one "sin" upon ourselves and upon THE FATHER WITHIN which has brought our species to near destruction by the unmerciful Anti-Christ. This one corruption of THE FATHER'S LOVE, WHICH IS THE LOVE OF THE SPIRIT OF LIFE WITHIN ALL OF CREATION, has brought to us dis-ease of our bodies and emptiness and unfulfillment upon our souls.

Let us define LUST: "1. Bodily sexual appetite. 2. Excessive sexual appetite, especially that seeking of immediate or ruthless satisfaction. 3. An overwhelming desire: a lust for power. 4. To have passionate or inordinate desire".

Again, it's defined a behavior which is not only excessive and overwhelming but also depleting to the SPIRIT OF LIFE OF GOD WITHIN US. Lust is "adversarial" to THE GOD/ATON within us because it is an unnatural, excessive DESIRE allowed experience only upon our 3rd dimensional physical plane. The poison seeds of the feelings of LUST have been cleverly planted, molded, encouraged and harvested by the Anti-Christ to replace and destroy what is true GODLY unconditional LOVE of THE SPIRIT OF ALL LIFE.

We have become so confused by what is our DESIRE for SEXUAL activities that we believe it now to be OUR EXPRESSION OF LOVE for our mate. Even those who know they LUST and that it is not LOVE, still eventually confuse their lusty desire as a part of their LOVE for one with whom they enjoy sharing companionship. LUST, for physical sexual release, IS LUST, whether it be for a "ONE night stand" or done with one who we consider to be our "LOVE" MATE.

So then, the term "Lust" represents unnatural, excessive physical DESIRE, usually for "sexual" union, but also one can lust for POWER or MONEY or other "things" of our material "illusion". By holding unto ourselves these unnatural desires we will simply become heavily attached to our "illusion" of reality and will therefore remain HEAVY from the darkness of our ignorance.

IF THERE IS ONE THING THAT THE DESIRE MIGHT BE ENCOURAGED, AND IT NEED NOT BE UNNATURAL OR EXCESSIVE, THAT WOULD BE OUR DESIRE TO KNOW AND SERVE THE LIGHT OF TRUE GODNESS WITHIN US AND ALL THAT IS!

WRATH

WRATH is defined as: "1. Extreme or violent rage. 2. Intense anger; rage; fury. 3. Any action of vengeance". AND Vengeance/reveng means: "1. To inflict punishment, injury, or loss in return for the same. 2. A means of avenging oneself or another".

Now understand the difference between what is wrath and what is anger because the two are often linked, rightfully so, except that WRATH represents a MUCH more intense emotional state of rage, and one who is WRATHFUL seeks to actively AVENGE his rage, in some way, against the one/ones who he perceives maliciously "wronged" him or ones he loves. So let us define ANGER: "A feeling of strong displeasure and antagonism directed against the cause of an assumed wrong or injury". So we see, anger itself directed at self or another is an emotion of displeasure because of witnessing, experiencing or being the object of a real or perceived "wrong".

TO FEEL ANGER AT SELF FOR ACTIONS TAKEN (OR NOT TAKEN) AGAINST SELF OR ANOTHER, MORE OFTEN THAN NOT BEGINS WITH SIMPLE IMPATIENCE WHICH, IF NOT RESOLVED OR RELEASED, THEN BECOMES FRUSTRATION, AND FINALLY WILL TURN TO ANGER AND THEN POSSIBLY WRATH IF RECOGNITION OF TRUTH IS NOT ACHIEVED THROUGH THE KNOWLEDGE OF WISDOM OF THE FATHER GOD/ATON WITHIN.

For example, many ones become most impatient when they perceive THEIR time is being wasted by actions or delays caused, in their perception, by another. We oftentimes are so busy rushing around with self-importance, with the idea "time is money" or some such thought, that any unplanned infringement upon our perceived "valuable" time causes us great distress and impatience. Many have become so caught up in their self-importance that they just find it hard "to patiently wait" for anything or anyone. Are there times when ones deliberately MAKE you wait on them because of THEIR perceived self-importance? Of course. But we must learn to know the

difference and, in any case, we are the one who suffers when we allow ourselves to feel impatient, because the longer we hold it, the more uncomfortable we become by getting frustrated and eventually ANGRY and possibly even wrathful.

Criticism, on the other hand, is one of the most common "negative" offshoots of holding to self-feelings of impatience, frustration and anger. By being critical of another, one is essentially condemning THEM and the behavior, action or performance based solely on arrogant "opinion" of what is perfection, to elevate their own feelings of inferiority, and NOT to HELP correct a problem whether "real" or perceived. Furthermore, many ones are THEIR OWN worst enemies by being entirely too SELF-critical about ALL they are and do, condemning self always to feeling inferior and "worthless". WE MUST STOP IT! EACH OF US is carrying within him THE SPIRIT OF LIFE, GOD/ATON/CREATION! If we are not pleased with how we handled a particular situation, whatever it may be, then WE DON'T condemn ourselves, WE BLESS the experience, learn the LESSON, HONOR ourselves and our courage, and MAKE the adjustments necessary TO CONTINUE IN JOY the discovery and utilization of our spiritual creative potential within.

Now, to feel angry because of a TRUE injustice perpetrated against us or one we love is a "signal" to THE FATHER within that we feel helpless (during those moments of anger), to set to right an action already committed against us or one we love. We must first release our anger to God/Aton within before it either internalizes and festers within us OR it turns up in DEGREE to what is WRATH.

WHAT WE MUST DO TO "RELEASE" OUR ANGER IS TO RECOGNIZE THAT THE ACT AGAINST US OR ANOTHER IS DONE, AND THAT WE PARTICIPATED IN THE MANIFESTATION OF THIS ACT OR CRIME AGAINST US FOR SOME LESSON WE NEEDED.

So the quicker we are able to come to understanding about what is DONE, we can begin to confer with THE FATHER WITHIN to gain the Knowledge and Wisdom of Truth to find out WHY we have chosen to be a "victim" and WHAT must justfully and logically be done with the perpetrator against us. Whatever the degree of crime against the Laws of God and The Creation then, so too must the "punishment" be given ALSO within the Laws of God and Creation. If one murders or rapes another, then the verdict of punishment must be given in level-headed logic and wisdom according to THE LAW OF GOD AND CREATION, NOT wrathful VENGEANCE according to our will of fury or wrath.

For example, within the Pleiades star system, there are several planets occupied by our Pleiadian brothers and sisters. Although crimes against the Laws of God and Creation are now quite rare in the system, when they do occur, the ones committing same are actually sent to a "prison" planet of sorts, in separation from the GOD-LAW

abiding ones, and also segregated by sex so that reproduction is not possible. This is the wise and logical punishment given by GOD's directive to his beloved children of Pleiades. The rest of Pleiades society is thereby kept in relative peace, balance and harmony. The ones on the "prison" planet have freedom upon only the planet and must earn their survival without the more "modern" conveniences of Pleiadian society. Most spend the rest of that lifetime upon the prison planet, but a few are occasionally returned to society depending on the nature of their crime and how well they have recognized their "sin" and are willing to offer compensatory retribution to the "victims" of their crime or to Pleiadian society in general.

Following is a quote from Phoenix Journals #2, "And They Called His Name Immanuel: I Am Sananda":

"You have heard it been said: 'An eye for an eye and a tooth for a tooth.' But I tell you, exercise justice according to the natural Law of Creation, so that you find the verdict in logic and wisdom. Exercise love where it is warranted, and punish where the Law of Nature demands punishment. Ye shall, further, remain within the Laws of The Creation in deciding justice for ye may not impinge upon the Laws of The Creation in that which has already been laid down for thy judgment in wisdom.

"Give unto him who asks of you, if the request is made sincerely, and turn thee away from him who asks of you in dishonesty to deprive you of that which is yours in order to elevate his own comfort and status.

"You have also heard that it has been said: 'You shall love thy neighbor and hate your enemy'. But I tell you: Exercise love and understanding according to the natural Law of The Creation, so that you act and feel rightly, according to justice and logic. Exercise love where it is warranted and despise (behavior) where the Law of Nature demands punishment".

(End Quote).

Herein we would like to also repeat a truth as was wisely put by Creator Father Aton, "THERE ARE NO VICTIMS, THERE ARE ONLY VOLUNTEERS. PONDER IT".

ENVY

We have already discussed what is ENVY under the Laws of God and The Creation previously set forth in this paper. It does bear repeating, though, for thorough understanding of that which makes it one of the "deadly" sins of human. Remember

envy is a feeling of resentment or discontent over another's superior attainments, endowments or possessions.

When one feels envious, he actually feels INFERIOR because he has judged that the actions or attainments of another are, first of all, desirous for self, and secondly, BEYOND the ability of self to attain or manifest. We can spend our entire lives (and have) searching outside ourselves for what is "BETTER" than the lot we have created, but searching outside ourselves for self-worth which exists within will only confine us to feelings of critical frustration for the lack of accessing our own spiritual creative potential. WE MUST KNOW that ALL we "have" and "are" within our experience is what WE have chosen to have and be. Why need we feel envy, instead of honor and reverence for another of what is our "perception" of outstanding achievement? Why not instead define what is "outstanding" achievement for self, by the degree of JOY and SPIRITUAL KNOWLEDGE AND WISDOM it offers us? How will we do this? We take back our GOD-given power by taking personal responsibility for ALL experiences within our manifested "illusion". We ask THE FATHER GOD/ATON within us TO SHOW us that which WE need to FULFILL HIS WILL in HONOR, BALANCE, HARMONY, JOY, INTEGRITY AND TRUTH. Then WE WAIT UPON GOD/ATON WITHIN to show us what are our unique contributions to the joyous, creative unfoldment of THE ONE ALL THAT IS!

SLOTH

What is SLOTH: "Indolence; (which means: Adverse to exertion; lazy) idleness; laziness; disinclination to work or exert oneself".

What we have witnessed most upon our plane is the sloth of our God-given reasoning MINDS. This MIND-SLOTH is what has made us easy target for lies and disinformation. The reason is that we have fallen into the habit of letting others THINK and REASON FOR US, and by this mind-laziness have found it easier to BELIEVE another's projection or opinion of what is Truth rather than properly researching, by engaging our OWN logical reasoning mind with THE FATHER WITHIN, TO achieve KNOWLEDGE AND WISDOM of what is TRUTH. See, in this way do we also shirk OUR personal responsibility by not recognizing our responsibility to SEEK AND KNOW THE TRUTH WITHIN. We then further our "sin" by complaining and criticizing bitterly and thus casting BLAME outside ourselves when later we discover the "lie" or "deception".

GODLY KNOWLEDGE AND WISDOM ACCOMPLISHED AND EARNED WITHIN IS TRUE BLISS, PRECIOUS ONES! Ignorance of Truth is an illusion that keeps us trapped within the living of a lie. We are NOT free and the truly sad thing is WE DO

NOT KNOW we are duped and trapped so then the chains can be brought about us ever so tightly, and by the time recognition of Truth literally "slaps" our awareness awake, it is often most traumatic and too late for us to extricate ourselves until finally the death of the body releases our self-allowed anguish and horror.

Is our true ignorance forgiven? ALWAYS! But NOW that we are becoming armed with knowledge and wisdom within of what is the Truth, WHAT WILL WE DO TO CHANGE OF THE EVIL CIRCUMSTANCES PERPETRATED BY, OR AGAINST, US? WILL OUR MIND-SLOTH BECOME APATHETIC WHICH IS INDIFFERENCE? AND THEN WILL WE BE OVERCOME WITH THE PARALYZING HOPELESSNESS OF DESPAIR AND DEPRESSION WHICH IS GIVING OUR GOD-POWER TO THE ANTI-CHRIST? CERTAINLY THE INTENT HEREIN IS OF LESSENING THE INEQUITIES PERPETRATED AGAINST US WITH THE WORD OF TRUTH AND LIGHT AND WISDOM WHICH IS GOD/ATON AND THE CREATION! WILL WE HEAR? WILL WE SEE? WILL WE ACCEPT GOD'S HAND OF TRUTH, OF MERCY, OF LOVE AND OF WISDOM? THE CHOICE IS OURS TO MAKE.

MAY THE TRUTH, WISDOM AND FREEDOM OF WHAT IS HOLY GOD'S LIGHT WITHIN US BE IGNITED IN JOY BY OUR WILL, OUR CHOICE, TO SERVE THE UNLIMITED WILL OF GOD/ATON AND THE CREATION. SO BE IT!

There is also what is physical sloth or laziness. This simply is often counterpart to Mind-sloth. If we cannot move our mind into awareness most likely our body will not be motivated either. It is simply inability to LIVE or take in LIFE. It is also unwillingness to take responsibility by taking action for making changes which would "better" our lot in life. Ones who are slothful would rather sit in quiet (or not so quiet) self-pity and blame ALL "out there" and therefore not take self-responsibility for this "perceived" lack.

FEAR

We have also spoken of the "deadly" sin of feeling unnatural and excessive fear in the previous pages under, "How to Recognize the Anti-Christ Within". We discussed that we are trapped by the Anti-Christ in the illusion of what is FUTURE-FEAR ORIENTATION.

Let us define FEAR: "1. An agitated feeling aroused by awareness of danger, trouble, etc. 2. An uneasy feeling that something may happen contrary to one's desires. 3. A feeling of deep awe and dread". And let us define what is AWE: "Reverential fear; dread mingles with veneration (respect or deference) and now we define

DEFERENCE which is yielding to the will or opinions of another OR respectful regard".

By keeping us locked in constant agitation or uneasiness about what could happen -- we are robbed of the present moment of life which is the NOW of eternity. Generally speaking, one who is fearful of future possibilities/probabilities occupies much "time" in WORRY about possible consequences of a decision or an action and will also often procrastinate (delay) making the final choice. Let us define WORRY: "1. To be uneasy in the mind; fret. 2. To pull or tear at something with the teeth. 3. To cause to feel uneasy in the mind; trouble. 4. To bother or pester 5. Worries -- something that causes anxiety". So many of us have expressed or heard the phrase, "I was worried sick!" It is true that fear and its handmaiden "worry" can and will literally make us physically ill. Simply by imaging in our mind a picture, idea or "horrid" consequence, we actually manifest the "realness" of that which we fear upon ourselves. Whether the ACTUAL physical manifested outcome occurs according to our worst fears, or not, WE have suffered in our moments of fear and worry as though it HAD occurred. So it's clear that are creating the worst even if it be only in our "mind" through the emotional REACTION of fear.

Is it wrong to make "plans" for our future in our now? Not if it corresponds to the "positive" creative unfoldment of self-improvement and self-expansion of our knowledge and wisdom of Truth in our NOW. OUR DESIRE TO KNOW AND SERVE GOD will itself propel us ever forward in knowledge and wisdom of Truth. AND so too will demand the discipline of self to remain focused on our goal. Let us define discipline, "1. Training of the mental, moral and physical powers by instruction, control and exercise. 2. The state or condition resulting from such training. 3. Punishment or corrective action for the sake of training. 4. A branch of knowledge". We would further add herein that there need not ever be PUNISHMENT of self or another to achieve discipline. Simple integrity of focused attention in gaining wisdom of Truth and recognizing and understanding consequences of thoughts and actions given in "error" are what are necessary to take corrective measures of action for successful training IN GODLY TRUTH to take place.

Remember this too, when we truly ASK the Father/Mother God/Aton within FOR Truth, WE RECEIVE TRUTH. This does not mean we will necessarily like or enjoy what we find, but as long as we remain devoted to the discipline of emotional detachment, such as from feeling paralyzing fear, we will become EMPOWERED by THE WISDOM of the GOD/GODDESS within us. Does this mean we will never feel fear again? Not necessarily, but we will by our desire, devotion and discipline learn to overcome our fear and take the necessary actions to bring about GODLY changes, whether it be within self or in "situations" or experiences put before us.

Another aspect of understanding fear which we must also recognize is we also can experience fear or alarm as a "warning" mechanism of clear or unclear present danger to us. Fear became the manifestation of our desire for "survival" on the physical plane. We created it because of the limitation brought about by our "veil" of forgetfulness about our soul immortality. And it was thus encouraged by the "deceivers" or "satans" in order to terrorize, control and enslave us through our fear of death of the body. Actually, even those of us who now KNOW our soul is immortal will still feel fear if we or our family is threatened in some way. We must overcome the fear by acknowledging the "warning" and seeking protection, counsel and guidance with THE FATHER WITHIN, so that we will be given instructions about how to best respond to the situation, whether it be defense of self and family or something other.

Many ones simply fear physical pain and suffering more than death itself. So we must overcome the initial "fear" warning, and gain the counsel within to ACT in order to protect ourselves or others. It is only when WE are overcome and paralyzed by our fear that we will not listen to OUR inner guidance and thus lose our power to change the outcome of the situation.

So in summation, when it's said "you must conquer your fear", it's about future fear/worry orientation and that fear which paralyzes us into INACTION or feelings of HELPLESSNESS. Remember WE ARE NEVER HELPLESS WITH GOD! We must learn to TRUST; we will ALWAYS be given whatever we need in ALL circumstances put before us. WHEN WE SINCERELY ASK THE FATHER/MOTHER WITHIN, IT IS DONE!!

GUILT

Now, we will also discuss in further detail that which is guilt. Earlier, we talked about how the Anti-Christ traps us in PAST-GUILT ORIENTATION as a way in which to rob us of the NOW or present Moment of LIFE. First let's define **guilt**: "1. The fact or condition of having committed a legal or moral offense. 2. A feeling of remorse arising from a real or imagined commission of an offense. 3. Guilty conduct. **GUILTY** defined as, "1. Deserving of blame for some offense. 2. Convicted of some offense 3. Involving, pertaining to, or showing guilt".

The first thing we must realize is that to FEEL guilt about some past thought, word or deed does not always necessarily mean we are GUILTY of a "wrong" against OUR SPIRIT WITHIN. The "wrong" to the Spirit Within occurs when we assume unworthiness or blame upon self and thus punish self by self-condemning thoughts and actions. We must always ask ourselves: do we feel "guilt" because someone else has offered it or imposed it upon us and we have accepted or allowed them to blame

us for some action or occurrence which we KNOW we are really not "guilty" of? Let us give an example of a response of "false" guilt which many of us will relate with in experience within our "modern" civilization.

Let us say you are a girl child of eleven-years-old. Up to this age you have enjoyed relative childhood security, love and dependence with your Mother and Father. Then, suddenly, you are told by your parents that THEY no longer love one another and cannot live together and will become DIVORCED. Please understand this carefully, IN MOST ALL CASES of separation of parents, the child or children BLAME THEMSELVES. The child often believes that, "If mommy and daddy can stop loving each other, they can stop loving me, too". We would suggest that if a couple says they STOPPED loving one another, they most likely NEVER truly loved. Can we see how confusing this sort of drastic change and separation is to a child? Now in our hypothetical case, let us continue with the story in which similar circumstances have occurred with many. The Mother retains "custody" of the little girl. The father leaves town, he says, for other work challenges and opportunities. The child seldom sees him anymore; he is always so busy. The child's Mother must go to work, let us say for the first time since she became married to the child's Father.

Do we begin to see what this looks and feels like to the little girl? She feels she has been rejected, she begins to feel unloved and unworthy because she blames herself for her parent's divorce by perhaps not being a "good" enough little girl. Her mother works and comes home irritable, resentful and angry at the little girl's father, which only adds to the little girl's soul-anguish and feelings of unworthiness. The two people she loved, trusted and even idolized the most no longer exist for her. She is alone. Do we realize that ALL most of us truly want is to be sincerely always LOVED exactly the way we are without conditions?

So the little girl begins to punish herself. She begins to seek LOVE and acceptance outside herself which she feels she no longer has at home. Throughout her teen years she walks the path of victim by self-destructive actions and by continuous rejection by others. Just as so many of us even now in adult state, she only wants to BE LOVED, but because she feels UNWORTHY of the true LOVE she pines for, she continues to sabotage herself by choosing relationships which dishonor her as she dishonors herself. She may become angry toward "male" humans, because she is angry with her Father "for leaving her". She may not only punish self but also seek to punish all "men" who represent her Father. Eventually her heart is so hardened she feels nothing, no joy, no love, no caring. It is her against the world and she feels alone and bitter. Now God, our Father, is most distressed when one of HIS becomes lost in "negative" response to his/her manifested experience. HE in His mercy will send help to the child or young woman to help her recognize that there are those WHO do love and care for her. He will send her "signs" of HIS LOVE so that she may forgive and heal the disease

within self. Will she recognize THE LOVE OF OUR FATHER presented to her? It is her choice, for God will never force any. He will, though, wisely choose the one/ones who will manifest HIS LOVE FOR HER, which He deems will be most acceptable to her. It will then depend upon her soul integrity how well she will recognize, forgive and overcome her self-imposed "guilt".

Many ones who NOW serve faithfully within HIS service, have manifested for ourselves very difficult circumstances in our growing years in which we had to ultimately understand, forgive and overcome in order to serve HIS WILL as willingly as we do now. WHY? Mostly we have simply asked for difficult "testing" in order to gain the compassion and understanding of how and why our brethren have been so crippled, deceived and so lost for so long, so that we can "relate" with the circumstances of the deceived and thereby be the most effective in helping them see "THE LIGHT" OF GODLY TRUTH WITHIN THEM! Be most grateful for the lessons offered, learned and overcome, we are spiritually MUCH stronger because of them.

Now we will discuss Past-Guilt Orientation a bit more. If we feel guilty for some past deed, we must determine WHY the guilt is felt. If we recognize an error against another, then by understanding and learning the lesson and then self-forgiveness, we will have released GUILT. Many of us instead wallow around in the "horrible" situation and wish only to feel sorry for themselves so that they think they are not responsible for the "error". Let's recognize our responsibility, learn the lesson, forgive AND RELEASE it. IT is done and we further the transgression against our SPIRIT by "reliving" the "dastardly" deed in our mind and not LIVING our moment NOW in fullness. This is PUNISHMENT of self and is not of GOD, but of the ANTI-Christ. We walk around saying, "I SHOULD have"...well, we DIDN'T and it is over. The next time a similar situation presents itself, and it will, we will know how best to respond with GODLY integrity.

HYPOCRISY

Remember Hypocrisy is "The pretense (pretending to) of having feelings or characteristics one does NOT possess such as virtue or piety". We discussed under THE LAWS, number 17, that one of the biggest "signs" carried by ones possessed of "evil" is their Hypocrisy.

We will first discuss the Hypocrites of our "religious" Institutions who will carefully cultivate the "appearance" of Godly piety and high virtuous standards. And they will speak with "conviction" about the virtues of what they, in all their magnanimous goodness or godliness, possess in order to LEAD us into the Righteousness of God's Kingdom, where they themselves "reside". So, while you deceived ones are crying tears

of joy for being "allowed" the opportunity to be in the presence of one so great, they gladly fill the "hat" of this false one with all the "gold" they can spare, just so, perhaps, they too may be found "worthy" and allowed entrance into God's Kingdom. But the hypocrite has them now. He will pass the "hat" again and again until they have no more to give...then he will abandon them and call them "unworthy", and mostly many of us have believed ourselves unworthy and thus deserving of poverty. All the while he is seducing us and making us his "slave", the hypocrite sits "mockingly" and smugly in his "false" splendor of hatred and manipulation, drooling lasciviously and covetously over the hoards of "wealth" he has STOLEN from us, the blind and ignorant sheeple.

After the "religious" Hypocrite has TOLD us what we must NOT do and what we MUST do to reach GOD'S Kingdom, and he knows we believe him, he knows we now BELONG to him and he will make us pay dearly. All along while the hypocrite is leading us into his slaughter house of deception, he will quite systematically, behind the doors of "secrecy", himself break EVERY rule of Godly behavior which he has instructed us to follow. The Hypocrite's motivation? POWER and CONTROL over others at ANY COST. He always believes himself superior in all things, particularly "intelligence", when he is able to DUPE and DECEIVE others and also garner their GOLD for his OWN selfish interests. This one is under the spell of evil as is called false "pride" or also cancerous narcissism.

We now have allowed infiltration within most of our WORLD government systems and the "agencies" set up therein, of the evil narcissist HYPOCRITES at the lead or head, positioning themselves for the destruction of all goodness and freedom and ultimately OUR enslavement to THEIR self-will of EVIL control. They are the ones, now without conscience, who will TELL us all we WISH to hear and THEN DO THAT WHICH THEY PLEASE to control and render us "powerless" against THEM. The "bastard" seed of evil is now so insidious, it has infiltrated and possessed nearly ALL who would call themselves our "leaders", and most of us know it not.

We shall now briefly address hypocritical behavior practiced by us "common" folk. Are we kind and friendly with ones to their face and then because of jealousy, envy or prejudice, denounce and criticize THEM in private behind their backs? This is commonly practiced among us, mostly without our "awareness" of same.

To set self to "awareness" now, we must not judge another human fragment as less or greater than we are in God's reflection; we only judge their behavior which we know goes contrary to the Laws of Balance of God/Creation given forth. We honor ones when we extend our hand in honest love and friendship. But if we extend our hand giving the "impression" of love and friendship and secretly despise this human because he/she is black or brown or white or poor or rich or fat or thin, or, or, or...then we too, are a hypocrite.

SO TO DISCOVER OR RECOGNIZE THE NARCISSISTIC HYPOCRITE, WE WILL NEED NOT BELIEVE WHAT HE SAYS HE IS OR DOES OR REPRESENTS, BUT FIND OUT WHAT HE DOES IN SECRECY. REMEMBER, "BY THEIR FRUITS, YE SHALL KNOW THEM".

VANITY

First we define vanity "1. The condition or character of being vain; conceit. (arrogant self-esteem) 2. Ambitious display; ostentation. 3. The quality or state of being fruitless, useless, etc. 4. That which is vain or unsubstantial". Now we define vain "1. Filled with or showing undue admiration for oneself, one's appearance, etc.; conceited. 2. Unproductive; fruitless. 3. Having no real basis; empty: vain hopes. 4. Ostentatious; showy. In VAIN -- to no purpose; without effect". Vanity, then, is the preoccupation with admiring, changing or altering and displaying one's physical appearance, image or form because the vain one feels unworthy or INFERIOR WITHIN and often hides behind an ostentatious (pretentious excessive exhibition) display of self or of "superior" arrogance. Narcissism, then, is the state of one who unduly (excessively, unjustly) admires self inside and outside in self-elevated status and separation from others because he feels SUPERIOR to others in appearance, in intelligence and in importance.

Evidence of the obsession for "appearing" beautiful physically according to self-accepted or adopted societal standards is most prominent with both males and females primarily within Western "civilization". Many ones have become ruled by and preoccupied with their physical "appearance" which to them most often means being "acceptable" to others. WHY? Because the ANTI-CHRIST has told US and given precise limitations of what is "beauty". For example, within our controlled advertising media we have lovely ones who "model" for products. This, to give us desire for these products by creating "images" for better acceptance value by appealing to our innate drive within, which they have corrupted and erroneously redefined as "SEX" drive, (remember "libido?") and thus cause us to WANT the product which gives the false "promise" of beauty, "sex" appeal, health, youth, wealth, status, etc., according TO THEIR LIMITED STANDARDS of what WE must desire of what is beauty, sex appeal, health, youth, wealth, status, etc., which these "models" (we are taught) represent because they "LOOK" good.

With all of the attention given from childhood on only to "physical" appearance, the spirit within shrivels and pines for allowance and acceptance and freedom. This, because the Anti-GOD, which, they have now allowed within, slowly crushes and all but destroys the beauty and divineness within, which is THE SPIRIT OF LIFE OF GOD/PERFECTION. Very rare it is indeed, this day in "time", that ones who have become FIRMLY trapped in the "VANITY" game of the adversary, are able to

recognize their folly, and thus seek to release this "false" unworthiness and limitation brought about by the superficial preoccupation of physical "image". We must accept self regardless of physical form. If we recognize that we wear too much weight upon our frame and it is not "healthy" for us, then we must decide to change of it and then DO it. Until then, need we love our self (God within) less because we look or don't look a certain way? NO! We commune with our SPIRIT within and find out WHY we consume more than we are able to use.

We learn to understand why we do something and then we can work for positive adjustment within. Our physical health represents our "inner" health. Dis-ease of the body is the physical manifestation of what began as Disease in the mind. We clean up our thoughts and our body will be healthy and vibrant as well; it is really so simple, but most of us miss it. We need not miss it anymore now.

Let's speak a bit about what is termed "cosmetic" surgery (butchery). The statistics show that many women feel less feminine or less attractive if they have "small" breasts. WHY does this happen? Because the images of BIGGER BREASTS and VOLUPTUOUS women are thrust before them beginning when they are children in nearly all of the "controlled" media. These young girls/women feel if they had "bigger" breasts that somehow they will be more acceptable to MEN and thus also be envied by WOMEN. We often, on the one hand, do not wish to be considered "sex" objects, yet we desire to fit what we are taught (programmed) is THE "sexually" physically attractive female figure. Don't we see we allow doctors to cut upon our bodies and cause us pain and suffering, and often later complications, just to fit an acceptable (to us) physical "image"? Again mankind (adversary) has corrupted the purity of the woman's "breasts" by making them into hideous "sexual" objects of LUSTFUL desire. The beautiful grace of the feminine body which was created in beautiful perfection of GOD, has been cut into "pieces"...breasts, vagina, mouth, neck, legs, buttocks etc., of PHYSICAL LUSTFUL DESIRE. Do we know WHY the breasts were given unto WOMAN? Not as sexual "objects", but for the suckling and nurturing of her BABE, a New Creature of GOD. Remember this, women, the next time you think to make yourself bigger breasts! You dishonor GOD within by despising your GIVEN physical form, and wishing to cut it up to make it into some image of what is "appealing". TO WHO? WHY need you allow imposed images of perfection thrust down your throat? THE answer is WE MUST NOT ALLOW other's opinions and "images" to make us feel self-unworthy.

Here is a test for you, women. Upon awakening in the morning next, go to your "full-length" vanity mirror and look upon yourself naked. What do you see? Can you look within the vanity mirror WITHOUT your makeup and hairdo, your girdles and padded brassieres and fine garments and SEE GOD? If not, then recognize and UNDERSTAND your transgression, commune with God within, forgive self and do

not look again into the mirror until you DO see and know THE LOVE AND BEAUTY OF GOD reflected back!

And the same goes for ones who are of "male" form of human. You experience vanity somewhat differently than women, but most of you still suffer feelings of inferior unworthiness when you gaze upon your nude body and face. God has listened to YOU! The dialogue within goes something like this: "IF ONLY I was taller, had bigger shoulders, a larger penis, hair upon my chest and/or face, had a flatter stomach, a thinner frame, more muscles, more hair, blue eyes, brown eyes, whiter teeth, tan skin, light skin, and, and...I would be accepted". Then the dialogue goes something like this, "IF ONLY I had more money, a new car, a better job position, and, and...I would be accepted". Do you recognize anyone here...you of the male species? Obviously, we set ourselves up, by believing the lie of "images", to always fail in some way or another. LET'S ACCEPT our SELF WITHIN, HONOR our physical body which has been loaned to us. For this is the wondrous, beautiful vehicle, given of THE FATHER for OUR SPIRIT OF GOD WITHIN to experience the wonders of creative spiritual unfoldment upon 3rd dimension physical illusion!

Now, within our global civilization (western in particular), nearly every little girl and boy wants to "look" like someone else they have seen in a movie, on the "street" or in an advertisement. They are taught, through the programmed media and advertising, not to accept themselves as a beautiful individual reflection of GOD, because their physical features, they are told, do not measure up to the "ideal" presented of what is acceptable "beauty". It is no wonder that the cosmetic and related industries make billions of "dollars" off of we the people, because they (the Anti-God) create the "image" and feed the vanity which is the result of ones feeling "they" never quite "measure-up" and will thus seek to improve what is now THEIR perceptions of physical imperfection. Even many of the ones our society defines as "beautiful" while they are young are most often cast aside when they begin to show signs of "aging". And those who depend only upon their "looks" while they are young, will find themselves FRIGHTENED OF AGING and will thus become EMPTY INSIDE and BITTER because of the rejection by the very ones who "molded" and "accepted" them while they were physically "young" in appearance.

WHAT can we do, parents, to help positively guide our child toward the path of INNER BEAUTY and SPIRITUAL freedom and away from societal imposed "limitations" of acceptance? We must encourage the child first to understand his/her ONENESS WITH ALL..GOD/ATON, other humans, the planet, the mineral, plant and animal kingdoms, other planets, ALL OF LIFE AND ALL OF CREATION. Teach the child about GOD and HIS LOVE for ALL of HIS fragments of self. Teach the child about the Natural Laws of Balance given forth to maintain order upon CREATION and WITHIN CREATION. Teach the child about the nature of God's gift of Free-will

and the PERSONAL RESPONSIBILITY EACH ONE HAS to honor GOD within and TO SERVE ONLY HIS WILL because He is our JUST and Wise Spiritual Creator/Ruler and KING OF WISDOM. Teach them about the ADVERSARY and HOW IT has fooled many of God's children. Teach the child that what he may perceive as separation, is only "ILLUSION" of separation and that many other ones he will meet, will not understand this TRUTH because they are spiritually ignorant and duped by the "adversary" of Godness and so then not yet spiritually aware. Teach the child to honor and be tolerant of ALL other human fragments as fragments of THE ONESELF of GOD and THE CREATION. And yet teach the child that he/she must ALSO recognize and not tolerate THE BEHAVIOR (ignorant, prejudiced opinions, misperceptions, and actions) which blatantly break THE LAWS OF Balance of God and Creation. So, teach the child he must defend self within honor of God's Laws if one of these ignorant/spiritually weak ones wishes to cause harm (in thought, word or deed) to him or another. Teach the child about HIS power to co-create with GOD, and why he must monitor his thoughts, words and deeds in order to recognize his transgressions so that he can create a GODLY world in service to GOD'S WILL. Then you must teach the child to always see, develop and honor the spiritual and loving BEAUTY WITHIN SELF and ALL OTHERS -- which is the BIRTHRIGHT of ALL of GOD's children. Teach the child the truth that Spiritual Oneness, Beauty, Power, Wisdom and Love WITHIN can never age or die or be taken away from anyone because THE SPIRIT IS WHAT IS REAL, IT IS THE SPIRIT OF LIFE THAT EXISTS WITHIN ALL OF THE CREATION in the continual unfolding blossom of JOY and LOVE.

And so, beloved parents of GOD, we must also then LIVE in accordance TO THE LAWS and WILL OF GOD which we have taught the child, to set GOD/ATON's example of balance and truth which the child will surely follow. So when we have done our duty for GOD/ATON as Parent and have given (to the best of our understanding and awareness) the child the Love and Discipline of GOD'S WILL and THE LAWS OF BALANCE and we ourselves, too, have set the example by our actions and behavior, THEN we must release the child to God, that he may choose with his own free-will his experiences and learn about his personal responsibility in the manifestation of LIFE.

Is it wrong to want to look OUR best? Not at all. We must simply and honestly understand WHAT truly motivates us. To be neat and clean in our "dress" and appearance gives honor to self and to GOD as long as we don't secretly despise and are not ashamed of our appearance and seek to alter it or hide its reflection of beauty. If we are acceptable and give honor to self as WE ARE in physical form, whether it be male, female, black, white, tall, petite, red hair or grey hair, we will be acceptable and give honor to GOD/ATON.

Do we know that we could create a body which would LIVE for a nearly endless number of years in our counting, IF WE BUT KNEW IT INSIDE OUR MIND TO BE TRUE? Our brothers of physical form upon Pleiades live more than some 1000 years in our counting in their physical form. At one time in our ancient civilizations of Atlantis and MU (Lemuria), our ancestors also lived to be over 1000 years of age in our counting. LET'S REMEMBER, OUR IMMORTAL SOUL NEVER AGES. Most "physical" manifested bodies, though, eventually deteriorate, not always because of FEAR, but often because ones simply tire and become bored with having the "same" form, so they create deterioration of the form and move on to "new" realms and forms within CREATION. In the "higher" realms of GOD'S Kingdom, our form becomes high concentration of cellular "light" and we can change it at will since it is ONE with our SPIRIT WITHIN.

PREJUDICE

First we define prejudice (to PRE-JUDGE), "A judgment or opinion formed BEFORE the facts are known; especially an unfavorable, irrational opinion. 2. Hatred or dislike for a particular group, race, religion, etc. 3. Injury or damage to a person arising from a hasty and unfair judgement by others". Now one who is prejudiced is usually also referred to as a bigot, defined as, "An intolerant, prejudiced person".

So one who is prejudiced pronounces judgement based solely on their own OPINION which has very little or NO basis in truth or fact. The evil ones are possessed by irrational pre-judgment, hatred and dislike for others which makes them intolerant or bigoted toward those who oppose THEIR self-will OPINIONS of how things are or should be. As was discussed under the first "deadly" sin of PRIDE, if the one possessed of evil first cannot seduce others into believing what is THEIR DESTRUCTIVE and manipulative false VIEW of things, they will then desire and seek to DESTROY the ones of "goodness" and "integrity" because of THEIR own intolerant bigoted will.

Now we would give clarification unto ones struggling to understand the meaning of this Aton's statement of Truth, "There are no victims, there are only volunteers". One could formulate the following question: "Are you saying then, that the "blacks" volunteered for slavery?"

Yes, is the answer, because they CHOSE to play the part of "VICTIM" by being born or cast into slavery by the white ones. Is slavery wrong? OF COURSE! As we have read, it breaks the 18th Law OF GOD and CREATION. NOW in order to see and understand from the standpoint of ONENESS OF SPIRIT, we must not see ourselves as of black or white or male or female but as a fragment OF GOD/ATON. ALL of us, regardless of the body we now inhabit, have played (or are playing) the part of

VICTIM or VICTIMIZER throughout our life-times of experience. WHY DID WE VOLUNTEER FOR VICTIM-HOOD? OR TO BE VICTIMIZER? Because we became lost in our illusion, and many have repeated, through cause and effect of continual PREJUDICED behavior and NOT understanding or remembering OUR GOD-POWER AND THE TRUTH OF ONENESS, the same lessons over and over again. We become victims as a result of being "false" PRIDEFUL and PREJUDICED and we volunteer as VICTIMIZERS because we are "false" PRIDEFUL and PREJUDICED. Are we not tired of this illusion of separation from source? Hopefully so! Because many of us have been and still are playing the part of victim or victimizer BY CHOICE TO REMAIN IGNORANT OF TRUTH! So what will we have left to volunteer for? SERVICE TO what is GOD'S WILL in Love, Harmony, Balance and Freedom. The choice is offered by offering us truth of our folly so that we may leave our "illusion" forever and come HOME TO ONENESS OF GOD/ATON once again!

The one who feels superior to others because he is white, black or brown, male or female, is prejudiced. The one who feels "CHOSEN" of specialness to God because he follows Christian or Judean or Hindu or Muslim or Buddhist RELIGIONS is prejudiced. IT MATTERS NOT TO GOD what color be our skin, what sex be our form or what religious doctrine we follow. Those are labels of manifested illusion. WHAT IS REAL IS THE SPIRIT OF FATHER/MOTHER GOD AND THE CREATION WHICH EXISTS IN ALL OF US! It matters not to God if we call ourselves Muslim or Christian or Atheist, what matters is HOW WE THINK AND HOW WE BEHAVE toward ourselves and our brethren, regardless of what THEY label themselves. DO WE SEEK the Harmony and Balance of LOVE AND UNITY? Do we live our life in accordance to the natural Laws of Balance given forth? OR do we seek to feel our self SEPARATE AND SUPERIOR OR INFERIOR to others, such as, by class, by color or by religion? That is PREJUDICE. Do we openly disregard THE LAWS given forth as "outdated" or "false" which means we are PREJUDICED because we "don't know" or refuse to understand THE FACTS OF LOGIC which is the FOUNDATION OF THESE LAWS GIVEN FORTH FOR BALANCE?

In reality, to be an "israeli", meaning CHOSEN OF GOD, is to LIVE IN ACCORDANCE TO GOD'S WILL in light, unity, love, wisdom, truth, balance and harmony. Israel is NOT A PLACE, it is a STATE OF BEING (I AM) OF ONENESS AND BALANCE OF HOLY DIVINE GOD AND THE CREATION.

The unfolding of key points highlighted throughout this paper have given us an understanding of the nature of our personal responsibility in life as we face life events; they have also given us the signs to watch for as to how to recognize the Antichrist, that which is in opposition to DIVINE STATE within, followed by the recognition and definition of the "DEADLIEST" SINS of MANKIND, shedding further light on the life path of each individual.

Thusly done, we have throughout this material provided the essential tools which, when faithfully put into practice, enable one to attain the Wisdom of Knowledge, or Life Wisdom, and ensure a lighted and certainly enlightening destiny for the one committed to this path.

We will only handle a dozen or so falsely used terms so as to bring forth a bit more of insight to the truth seekers.

CHURCH

CM: A building or organization used by Christians (predominantly, so as not be confused with synagogue or temple) to meet together regularly to sing, pray and worship according to denominational doctrines.

TM: The English word "Church," the Scottish work "Kirk" and the German word "Kirche" all originate from the Greek word "KURIOKOS" which means pertaining to the THE LORD.

The "Judeo-Christian" use of this word carries with it an enigma that defies all logic and reason. The English Bible translators substituted the word "church" KURIOKOS for the Greek word "ECCLESIA".

ECCLESIA

A Christian ECCLESIA is "A CALLED CIVIL BODY": a local Christian assembly of elders (Christian Civil Government). The word "church" should not even appear in the English New Testament. It is a mistranslation. "KUROIOKOS" is **not** "ECCLESIA"! The words are totally different; the institutions are different. Nowhere in the Bible do you find a kuriokos. There is only "the called-out elect" ecclesia which unfortunately was mistranslated into "church", transforming it (in English) from Christian government to superstitious and ritualistic Baal Worship.

Encyclopedia Britannica, Ninth Edition (1989):

"In the New Testament, ecclesia, signifying 'convocation', is the only single word used (translated) for 'church'. It was the name given to the governmental assembly of the citizens of ATHENS (NOW GREECE), duly convoked (called out) by proper officers, and possessing all political power, including even juridical functions."

Let us discuss each of these terms in context of examples, please. **Jesus the Christ NEVER established a church on earth.** Neither did he in "latter" days nor in "former" days. "Churches are man-made organizations that are, in most cases, creations of the "State" laws of incorporation or non-taxable organizations. There are no exceptions I can think of off hand. *By following the State rules the President or minister or whoever falls under the official laws of the State and ceases to follow the total instructions of Jesus Christ or God Divine.*

During Jesus' mortal experience he directed his **Apostles to establish ecclesias**, not churches, among the Israelite people (israel: a people chosen by God and this does not mean even Judean nor Palestinian. It is a description, not the name of a state.) He commissioned them to preach the good news of the Reign (influence) of Christ (ideal type of humanity through right actions, thoughts and deeds). That does not say Jesus or Yahoo--it says: preach the good news of the influence of the teacher giving forth the ideal type of instructions to humanity! Neither does it say to go forth and give your opinion as to what you desire to believe but project that which was given forth by the Christed messenger. **ANY TRUE PROPHET OF GOD knows this and would not sway the meaning nor mistranslate the words chosen for the "modern" translations of truth, GOD DOES NOT MAKE ERRORS IN PROJECTIONS OF DIRECT PROPHETIC DIALOGUE. ESPECIALLY WHEN GIVING FORTH "ORIGINAL" PROJECTIONS AND INSTRUCTIONS. A GOOD CLUE AS TO WHERE "OUR" FAVORITE PREACHER OR PROPHET MIGHT BE CATEGORIZED.**

SATAN

CM: The Arch-Fallen Angel. An evil being so powerful as to rival God himself. Originally he was "perfect" in every way, but his pride led him to organize a heavenly insurrection among the angels in which one-third of "the heavenly host" revolted against God. God managed to retain his throne, and the rebels were banned from heaven and sent to earth. Earth, a lesser dominion than Heaven, became the kingdom of Satan--"the god of this world". He is the cause of all evil upon the earth, leads men astray and causes them to sin against God.

TM: ANY *adversary or opponent!* God was a "satan" (adversary) to King David at one point (compare second Sam. 24:1 and first Chron. 21:1). If the English translators had been consistent, Bible readers would have known that an angel of the Lord was "a satan" (adversary) to Balaam (Nu. 22:22). In first Sam. 29:4, Philistines called a Hebrew a "satan" (adversary). The sons of Zeruah were "satans" (adversaries) to David in second Sam 19:22. David wrote about other "satans" in first Kings 5:4, 11:14, 23 & 25; Ps 38:20, 71:13, 109:4, 20, 29. In these scriptures, "adversary" is the same Hebrew word that is translated "Satan" in other passages.

The super "fallen angel" (Satan) of the churches is an impossible myth. This "evil god" exists only in the minds of victims of religious brainwashing. Human "satans" and "devils" walk the earth today, just as in the time of King David. Fear and preoccupation with spooks make people unable to see their real enemies.

This "Hebrew" word was never translated into its English equivalent as it should properly have been. The only change the rapists made was to capitalize the first letter, thus attempting to turn it into a name and not a definitive "active verb" word. Any true prophet of God would not place such a word as Satan in one of the original documents for God would not make such a direct error. Further, if the translators had been accurate the word would never appear anywhere in any Bible of any denomination.

The so-called sneer "fallen angel" (Satan) of the churches is an impossible myth. This evil "god" exists only in the minds of people that have fallen victim, to religious ideologies. Now, I too, have utilized the term from many references for you have conjured up something which does exist in your "REALITY" and therefore, it DOES EXIST. It did not, however, exist and was NOT A PORTION OF ANY ORIGINAL DOCUMENTED INSTRUCTION OF GOD. If the word appears -- it has been given new meaning from that originally intended and is a true "EARTH" given word.

Had that very descriptive word "satan" been correctly translated, the English word "adversary" or "opponent" would have been used in all the places where the word "satan" appears in the Old Testament, New Testament, Book of Mormon, Doctrine and Covenants, Talmud and all inclusive of all "so-called" Holy Books of instruction.

DEVIL

CM: Here is a dandy one: Synonymous with "Satan". The supernatural arch-demon who fell from heaven and now, with his legions of demons, reigns over the earth. God's arch-enemy who spoils God's plans for mankind and destroys people by his power over them.

It is assumed that Man does not have the ability to resist "The Devil". Therefore, you are somehow helpless against his nasty old power -- except when God chooses, periodically, to help you fight him. Mankind is generally under the control of this supernatural "spirit-being" who is immortal, omnipresent, and apparently a rival to God Himself.

Let us look at the BIBLICAL MEANING:

In the Old Testament this word is found four times--only in the plural (devils). Twice from the Hebrew word "shade", and twice from "saweer".

1. SHADE: One who rises up against you (with iasolerlice .

2. SAWEER: A he-goat (related to mythological "satyr" -- half man, half goat).

Neither of these definitions from the Old Testament indicate anything supernatural or angelic. "Shade" simply means someone (anyone) who wants to hurt you. "Saweer" is a reference to a goat-type idol of the pagans.

The New Testament Greek "devil" is "DIABOLOS": One who "thrusts through" (as with a sword) -- no indication of supernatural power.

DIA -- *through*, and BOLOS -- *to thrust*.

A "diabolos" (a devil) is something, or someone, who intends to hurt or destroy you.

A "devil" can be a person, a group, or an organization that seeks your demise. To find a supernatural "devil" in the Scriptures, he must be read in by prejudice and presupposition on the part of translators and readers.

Therefore, the words "devil" and "Lucifer" are two words the "church" uses falsely and synonymously with "Satan". Neither of the Hebrew words translated devils indicate anything supernatural or angelic.

In the New Testament the Greek word "diabolos" was translated "devil". Diabolos simply means one who thrusts through (as with a sword). No indication here that you have a supernatural spirit-being. Here again, beloved ones, no true prophet of God would misuse the word "devil" in the way it's used in the Holy Bibles or any "directly given Scriptures" from God on High. No matter what the "church" or "denomination" calls itself. Certainly all are incorrect but translated from the Judeo-Christian in the King James Bible was totally wrong as we shall see in a minute because Judeo-Christian has no meaning as such -- these are two mutually exclusive terms and NEVER the twain can meet for they are in opposition one to the other.

The word "Lucifer" as a proper name is simply not found in the Hebrew or Greek Bibles. That probably shocks a lot of you nice people, since everyone assumes it is, but the fact remains it's not. The Hebrew word, translated "Lucifer" in the King James Bible is "heylel" which means "brightness".

The New World translation uses "shining one", another translation uses "shining star" and the Revised Version uses "day star" for the Hebrew word "heylel".

Lucifer, meaning "light-bringer" is a name given to the planet Venus when it appears above the eastern horizon before sunrise. Venus being now a quite "dead" and ungracious-to-life planet is possibly quite suitably dubbed Lucifer. It is also a term stolen by the dark brotherhood of energy projections that Lucifer and Satan refer to

themselves as the Prince of Light -- and befitting their vow to lie, cheat, steal and corrupt--it sounds better than the Prince of Darkness which is the correct term for the energy forms inhabiting the humans bearing these energies.

JUDEO-CHRISTIAN

CM: The religion of Jesus which branched out of Judaism at the time of the early church. Both Christianity and Judaism have the same origins and the same God. (Oh, God forbid!)

TM: A religion created for the purpose of destroying Christianity by watering down Christian ideals and neutralizing Christians. Also, designed to promote and protect Jews and Judaism, in the Zionist sense of the definition of those misused and created terms.

Note: "Judeo-Christianity" is an oxymoron: (a moron dumb as an ox?) No -- a word combination of two directly opposite things or ideas which are mutually exclusive as I just stated, thus defying all reason logic.) Thus you can be sure anyone, any evangelist, any preacher, any monk, Saraswatti or other ill-informed human being using the term as a true term--is not projecting God but rather, ignorance at best, intended deceit at worst, upon your tender ears and/or eyes.

HEAVEN

MYTHOLOGICAL DEFINITION: A literal place somewhere in outer space where good people go to live when they are dead. The location where Jesus lives until He can return to Earth and rapture a select few people to take back to heaven from somewhere on fluffy clouds. A city is there which has gates literally made of huge one-piece pearls, streets of transparent gold and walls of sapphires, emeralds, topaz, jasper and other precious stones. The devil came from there, got kicked out (which he did), but he cannot go back (which he can't) -- nor can anyone in the service thereof.

CORRECT DEFINITION: Usually plural ("heavens") in the Greek, meaning "high places" -- in terms of: 1. *Elevation*, or 2. Power and authority (jurisdiction). In the Biblical sense it is usually "God's government" (the highest authority); government under Jesus whose purity and righteousness is symbolized by pure and precious stones.

This term is so tossed around by all the denominations of self-appointed "churches" as to nauseate quite thoroughly. It designates a physical place somewhere "out there" in the outer limits. This is such a false teaching as to even go beyond nausea and into

anger. The word "heaven" actually means "high level" as in power and authority (jurisdiction). In that good old King James version of the Bible, the word "heaven" usually refers to God's position of power: His government. In other words, the highest place of rule. No place in the King James Bible does it refer to "heaven" as a physical place the good people ascend to or inhabit after they die.

HOLY SPIRIT

CM: A person or personage of God; either a third person in the Trinity or a third god in a council or godhead. This person is separate from the Father and the Son and has separate and different functions to perform in a believer. In some cases this "third person" can "possess" an individual so that he or she supposedly has no control over actions or words. Sometimes referred to as the "Holy Ghost".

TM: Holy Spirit is not a separate person or separate "god". The English word "spirit" is translated from the Hebrew Old Testament word "RUWACH" (roo'akh) and from the Greek New Scriptures, the word is "PNEUMA" (panyew'mah). In both cases the words literally mean "AIR IN MOTION" (and in this wondrous day and age--usually "hot air" in a lot of forced motions from between the lips in the lower hole in the face.) Spirit is a desire; a feeling or disposition which compels us to move or act. Holy Spirit is God's wondrous and beautiful motivation in your/our lives and experiences to do "His Will" and obey "Him" according to His laws and those of The Creation. The word "ghost" (Holy Ghost as often used instead of Holy Spirit) comes from the German word "geist", and means a disembodied spirit of a dead person (another myth). It has no appropriate application or association in any manner whatsoever to Scripture.

This term represents a power motivation--not some person or singular third party in a triune triangle. It is, however, common for the term to be mistranslated from the Hebrew and Greek words for "Spirit" as Ghost. But most of the time it was translated correctly as "spirit". The word "ghost" comes from "geist" as I said: an old German word----etc.

GENTILE

CM: Anyone who is not a Jew, and thus a potential "anti-Semite".

TM: From the Latin word "gentilis", meaning "of the same gens, clan or race". In the Bible, the word "gentile" is a mistranslation of the Old Testament Hebrew word "goy", and the Greek New Testament words "ethnos", both meaning "NATION OR PEOPLE" (ANY nation or people) and should have been translated as such. It does not mean "non-Jewish!" BUT -- WE BETTER WATCH OUT BECAUSE IN THE "PROTOCOLS

OF THE ZIONIST ELDERS OF WISDOM, IT MEANS ANYONE NOT A "ZIONIST JEW". A modern version and mistranslation to be sure -- but a deadly definition, at any rate.

We can, however, always tell a FALSE prophet by his/her use of this term. This term would not have been in any of the books for it is a mistranslation of the Old Testament Hebrew word "goy". In the New Testament, it comes from the Greek word "ethnos". Both of these words as just been said, mean "nation" or "people", and should have been translated as such, any way we cut it, IT DID NOT COME DOWN AS A WORD DIRECTLY FROM GOD ON HIGH -- IN THE HEAVENS! But most churches misuse the term and never realize they have incorrectly spread false teachings. This is a new "media" word to further disinform. It was planted in the Bible to get a very specific response in this day, dear Souls.

DOCTRINE

CM: Non-essential beliefs, personal eccentricities and inflexible create differences between churches and destroy fellowship and unity.

TM: Doctrine is a teaching; a principle; a studied conclusion or position. Sometimes called "dogma" (German for "doctrine"). II Timothy 3:16 says that Scripture is doctrine. Isaiah 29:24 says that the people who are in error will be able to understand the truth when they learn "doctrine".

There are NO "non-essential" truths! NONE are expendable! None can be discarded or ignored! Truth stated as a principle is doctrine.

Without doctrine it is impossible to teach or arrive at an opinion. Discernment, judgment and correction would be impossible.

"Judeo-Christians" sometimes display an "anti-doctrine" attitude: a symptom of ignorance and total confusion. Some claim to have a position "against" doctrine (which is doctrine in itself), or one of neutrality concerning it. This is utter nonsense! Such a position, itself, as I just stated, is a most "absolute" form of projecting "doctrine". An anti-doctrine position exposes an ulterior antipathy for learning and wisdom.

When a person learns true doctrine and then considers it non-essential and chooses to set it aside, he contracts spiritual blindness of the worst kind. (Try 2 Thessalonians 2:10-12).

The point of this dissertation is to allow you ones to look squarely at the truth of it. There is no magic blood-sipping in memory of or flesh-eating in memory of, for it does not commemorate memory of anything a Christed teacher said or did, for Jesus, as he

has been called, BROKE BREAD AT THE TABLE AND SAID: EAT THIS IN COMMEMORATION OF ME AND Poured wine and said, DRINK THIS IN COMMEMORATION OF ME. HE NEVER SAID DRINK MY BLOOD EAT MY FLESH IN COMMEMORATION OF ANYTHING. THAT IS AN EVIL, "SATANIC" PRACTICE TO CAUSE YOU TO ACT IN BEHALF OF THE ADVERSARY.

Further, it's obvious that ANY person going through any place of teaching in preparation to minister unto "God's lambs" SHOULD KNOW THESE THINGS. THEREFORE, THE OBVIOUS FACTS ARE THAT IT IS INTENDED THAT NONE OF US COME INTO THE TRUTH OF THESE FACTS.

JEW

CM: AN ISRAELITE. THE SEED OF ABRAHAM. THE CHOSEN PEOPLE OF THE BIBLE. JEWS ARE PERPETUALLY PERSECUTED BY ALL OTHER PEOPLE ON EARTH. SOMEONE WHO PRACTICES THE RELIGION OF THE OLD TESTAMENT, WHICH IS CALLED JUDAISM. GOD JUDGES THE NATIONS PRIMARILY BY MEASURING EACH NATION'S RELATIONSHIP WITH THE JEWS. GOD BLESSES THE NATIONS WHICH SUPPORT THE JEWS, BUT HE CURSES THE NATIONS WHICH DO NOT SUPPORT THE JEWS. THE CHRISTIAN FAITH OWES ITS EXISTENCE TO THE JEWISH CULTURE FROM WHENCE IT WAS SPAWNED. (WHAT ROT!)

INTENT: To bribe and prejudice Bible-ignorant "JUDEO-CHRISTIANS" into passively granting the Jews a carte-blanche to do anything they please with total impunity and to get us to hop in there and help them.

TM: The word "Jew" did not appear in actual use until over 1000 years after the crucifixion of one called Jesus. It means someone who adheres to the religion of Judaism (modern Pharisaism according to the Talmud), or in some way considers himself (self-claimed so-called) a part of "Jewish culture". For the modern it has ABSOLUTELY NO RACIAL SIGNIFICANCE. "Jews" are some of the most racially mixed people on earth due to their multi-national history, their practice of interracial marriages, as well as their contemporary international bias. Down through the ages, they have moved from nation to nation as they were rejected (due to their immoral religion) by every land they have inhabited. Over 90% of "Jews" today are descended from the ancient Khazars -- a racially non-Semitic bunch of anti-Semites in the true sense of definition as I have pointed out to you as regarded the passage of Canaan, etc. These non-Semitic people were from East Europe. It is estimated by your own historian's counting that, of those who claim to be "Jews", less than 5 percent have even the slightest claim to the blood line of Abraham.

In the English translations of the Bible, the word "Jew" was incorrectly used to REPLACE:

1. "JUDAHITE" in the Old Scriptures, which referred to someone from the tribe of Judah, or a citizen of the land of Judah, and
2. "JUDEAN" in the New Scriptures which meant a resident of Judea, or a follower of the corrupted Babylonian religion of that area.

Since there were NO "Jews" nor "Jewish religion" at the time of the writing of the Scriptures, these names should never have appeared in the English translations nor in the Books of any Doctrine of any "church". The word "Jew" or "Jewish" did not exist as words nor appear in actual use until over 1000 years AFTER THE RESURRECTION OF JESUS. In ALL cases the word "Jew" was incorrectly used in your English translations of ALL of the Bibles to replace the true word "Judahite" in the Old Scriptures and "Judean" in the New Scriptures. No true Prophet of God would even accidentally utilize these terms for any text DIRECTLY GIVEN FROM GOD. The terms are most ignorantly utilized and in ALL instances of use indicate either false writings or changes at the hands of "translators". There can be no other "divine" reason. This goes for any "church" anywhere.

ANTI-SEMITISM

CM: A disparaging or antagonistic attitude, or hostile act toward a Jewish person, Jewish organization or the religion of Judaism.

COVERT INTENT: Used to disarm, intimidate and confuse Christians and others into submission to Jews at the expense and eventual destruction of Christianity and all other belief systems based on anything other than the Zionist Talmud.

ACTUAL MEANING: Opposition toward people of Semitic(Shemitic) origin, MUCH BY FACT INDICATES ANTAGONISM AND HOSTILITY ON THE PART OF THE "JEWS" TOWARD THE GOD-REVERING PEOPLE. Note: Most people who call themselves Jews are NOT Semitic in origin (Descendents of Sem or Shem), but are come from the lineage Cain and birthed through the Curse of Canaan moving forward as Phoenicians, Venusians, Pharisees and Khazars into imitation "Jews". Shemitism (Semitism) has nothing to do with Jews, Jewish organization of Judaism. JUST FOR OUR INFORMATION.

DIASPORA

TM: The dispersion of the "Jews" among the Gentiles after the Babylonian captivity.

EPILOG

Taking a comprehensive view of our world based on what has just been extensively exposed, it is obvious that we have turned it into a labyrinth of lies and deceit, of contempt for Life, which we have consciously and unconsciously fueled for tens of thousands of years, at the very least, to the point of losing sight of what Truth is, the Prime Reality. Therefore, for a lasting rectification and thusly a definitive journey back into the Laws of Creation, there is a need for a revisited way of living, one that provides human beings on Earth with the fundamental knowledge for a Living Wisdom from the cradle to the moment of departure toward other dimensions of experience.

If our civilization is to do this, there is only one possible path, and that is to reset the canvas of life as we know it. The old, flawed, deceptive, and misleading system must expressly leave room for the new one to ensure the rapid healing of the Human Mind-Spirit.

The various insights and recommendations presented herein have brought enough to light to enable Humanity to take the step toward a Civilization of Peace, Harmony, and Balance the moment we make that conscious choice.

This World within and upon which We inhabit is been given an Extraordinary, Unique and Exceptional Destiny of an Eternity of LIFE, LIGHT AND LOVE. FROM CREATION, FROM THE GREAT CREATOR, FROM THE CREATOR-ATON MICAËL, The Christ, FROM THIS SUPER-UNIVERSE of our belonging.

What is coming is the Foundation of UNITY. Unity of Thought; Unity of Feeling; MIND AND HEART AS ONE IN GOD AND WITH EACH OTHER, WE ARE ALL SOVEREIGN CITIZENS OF CREATION.

SOVEREIGN CITIZENS OF THIS SUPER-UNIVERSE OF ORVONTON;

SOVEREIGN CITIZENS OF THIS UNIVERSE OF NEBADON;

SOVEREIGN CITIZENS OF THIS LOCAL SYSTEM OF SATANIA;

SOVEREIGN CITIZENS OF WHAT WE CALL OUR SOLAR SYSTEM;

SOVEREIGN CITIZENS OF THIS PLANET, OUR TERRA-URANTIA, MOTHER-EARTH.

(For your information our solar system is part of a local system called SATANIA which itself is part of a Local Universe, our Universe of belonging, named NEBADON. ORVONTON is the Super-Universe which includes the whole and there are 7 Super-Universes. See The Urantia Book).

Soon and through this path highlighted in this paper, our differences will fade away and melt, and must do so.

RACIAL AND GENDER DIFFERENCES; POLITICAL AND RELIGIOUS DIFFERENCES; AND THE THOUSANDS OF DIFFERENCES WE USE TO DETERMINE OUR ENSUING PREJUDICES OF THE DAY.

NATIONAL AND LANGUAGE DIFFERENCES; REGIONAL AND CULTURAL DIFFERENCES; ECONOMIC DIFFERENCES; INTELLECTUAL DIFFERENCES; SOUNDS, SIZES, WEIGHTS AND VIEWS DIFFERENCES; AND OTHER CATEGORIES THAT WE HAVE BEEN GROWN TO ACCEPT AND CONTRIBUTE TO, AND PERPETUATE AMONG OURSELVES;

ALL OF THAT SHALL FADE, MELT AWAY AND BE CAST TO THE WAYSIDE ON THE CONTINUING PATH OF OUR LIVES, TOGETHER BACK AT THE FOUNDATIONAL POINT OF OUR ORIGIN, GOD. THE ONE, CREATOR, CREATION.

And very soon we will understand and abandon our opposition to each other, our Cosmic Ignorance and replace all this with A COSMIC KNOWING OF THE UNITY OF ALL THINGS AS ONE IN AND WITH THAT THING THAT WE STRUGGLE TO RELATE AS GOD.

For Love, Light and Life, let's wake up and take our responsibilities.
